Performance Based Assessment Tasks - Scoring Guide

(Regular)

Key for rating the learner's performance.

- i. **Performance Level 4 (PL 4) (Exceeding Expectation)** indicates that the learner has not only perfected /mastered the required skill but also exhibits exemplary skills that are above those required of his/her grade/age.
- ii. **Performance Level 3 (PL 3) (Meeting Expectation)** indicates that the learner has acquired the required skill.
- iii. **Performance Level 2 (PL 2) (Approaching Expectation)** indicates that the learner has acquired **some** skills but has not fully mastered them.
- iv. **Performance Level 1 (PL 1) (Below Expectation)** indicates that the learner is yet to develop the specified skills.

Scoring Guide for Task 1: High dribble in Handball (7 marks)

1. Use the Observation checklist provided to assess each learner as they perform the assessment task.
2. Rate the learner's competency in performing **the high dribble** under four performance levels as follows:
 - i. **Performance Level 4 (PL 4) (Exceeding Expectation)** where the learner correctly demonstrates competency in **all** the 7 attributes of the skill.
 - ii. **Performance Level 3 (PL 3) (Meeting Expectation)** where the learner correctly demonstrates competency in 5 or 6 attributes of the skill.
 - iii. **Performance level 2 (PL 2) (Approaching Expectation)** where the learner correctly demonstrates competency in 3 or 4 attributes of the skill.
 - iv. **Performance Level 1 (PL 1) (Below Expectation)** where the learner correctly demonstrates competency in 1 or 2 of the attributes of the skill or demonstrates competency in none of the attributes prescribed.

Scoring Guide for Task 2: Assessment of the Core Competency of self-efficacy (3 marks)

1. Use the checklist provided to assess learners' demonstration of the core competency of self efficacy as the learner interacts with teachers and peers and as they perform the assessment task.
2. Rate each learner's demonstration of the core competency of communication and collaboration under four performance levels as follows:
 - i. **Performance Level 4 (PL 4) (Exceeding Expectations)** where the learner exhibits 3 or more attributes of the core competency targeted.
 - ii. **Performance Level 3 (PL 3) (Meeting Expectations)** where the learner exhibits 2 of the attributes of the core competency targeted.
 - iii. **Performance level 2 (PL 2) (Approaching Expectations)** where the learner exhibits only 1 of the attributes of the core competency targeted.

- iv. **Performance Level 1 (PL 1) (Below Expectations)** where the learner exhibits none of the attributes of the core competency targeted.

Scoring Guide for Task 3: Javelin throw in athletics (7 marks)

1. Use the Observation checklist provided to assess each learner as they perform the assessment task.
2. Rate the learner's competency in performing Javelin throw in athletics under four performance levels as follows:
 - i. **Performance Level 4 (PL 4) (Exceeding Expectation)** where the learner demonstrates competency in **all** the 7 attributes of the skill correctly.
 - ii. **Performance Level 3 (PL 3) (Meeting Expectation)** where the learner correctly demonstrates competency in 5 or 6 attributes of the skill
 - iii. **Performance level 2 (PL 2) (Approaching Expectation)** where the learner correctly demonstrates competency in 3 or 4 attributes of the skill.
 - iv. **Performance Level 1 (PL 1) (Below Expectation)** where the learner correctly demonstrates competency in 1 or 2 of the attributes of the skill or demonstrates competency in none of the attributes prescribed.

Scoring Guide for Task 4: Assessment of the learner's acquisition of the value of unity (3 marks).

1. Use the checklist provided to assess learners' demonstration of the value of unity as the learner interacts with teachers and peers and as they perform the assessment task.
2. Rate each learner's demonstration of the demonstration of the value of unity under four performance levels as follows:
 - i. **Performance Level 4 (PL 4) (Exceeding Expectations)** where the learner exhibits 3 or more attributes of the value of unity.
 - ii. **Performance Level 3 (PL 3) (Meeting Expectations)** where the learner exhibits 2 of the attributes of the value of unity.
 - iii. **Performance level 2 (PL 2) (Approaching Expectations)** where the learner exhibits only 1 of the attributes of the value of unity.
