

STANDARD ONE

THEME: LIVING TOGETHER IN OUR HOME AND SCHOOL

1.0 OUR HOME

1.1 Specific Objectives

By the end of this topic, the learner should be able to:-

- a) state the meaning of a home
- b) name different types of houses
- c) identify materials used in building houses
- d) identify different parts of a house
- e) state the use of different parts of a house
- f) state the importance of houses

1.2 Content

- 1.2.1 A home
- 1.2.2 Types of houses
- 1.2.3 Materials used in building houses
- 1.2.4 Parts of a house
- 1.2.5 Use of different parts of a house
- 1.2.6 Importance of houses

2.0 SAFETY IN THE HOME

2.1 Specific Objectives

By the end of this topic, the learner should be able to:-

- a) name different things found in the house
- b) mention the uses of different things in the home
- c) identify things that may be harmful in the home
- d) identify safe methods of handling harmful things in the home
- e) state ways of keeping the home clean and safe
- f) appreciate the importance of keeping the home clean

2.2 Content

- 2.2.1 Things found in the home
- 2.2.2 Uses of different things in the home

- 2.2.3 Things that may be harmful in the home
- 2.2.4 Safe methods of handling things that may be harmful in the home
 - Fire
 - Medicine
 - Sharp objects

2.2.5 Keeping the home clean and safe

3.0 OUR FAMILY

3.1 Specific Objectives

By the end of this topic, the learner should be able to:-

- a) state the meaning of a family
- b) name members of a family
- c) mention how family members are related to one another
- d) identify the work done by different members of the family
- e) identify family celebration

3.2 Content

- 3.2.1 Meaning of a family
- 3.2.2 Members of a family
- 3.2.3 How family members are related
- 3.2.4 Work done by different members of the family
- 3.2.5 Family celebrations
 - Birthday
 - Wedding
 - Religious celebrations

4.0 OUR FAMILY NEEDS AND CHILD RIGHTS

4.1 Specific Objectives

4.2 Content

- 4.2.1 Family needs
 - Food
 - Shelter
 - Clothing
- 4.2.2 Meeting family needs
- 4.2.3 Maintaining a happy family
- 4.2.4 Desirable behaviour in the family
- 4.2.5 Rights of the child
 - Identity
 - Food
 - Clothing
 - Shelter
 - Schooling
 - Medical care
 - Protection

5.0 OUR SCHOOL

5.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) mention the name of their school
- b) identify the symbols of their school
- c) appreciate the importance of the symbols of their school
- d) identify the different people in the school and their roles
- e) identify the roles of members of their class
- f) name the things found in their classroom
- g) draw the seating arrangement of their class
- h) mention their class rules
- i) state ways of keeping their classroom clean
- j) appreciate keeping their class clean
- k) state ways of taking care of things in their classroom
- l) demonstrate the ability of taking care of things in their classroom
- m) recite and sing the first stanza of the National Anthem in Kiswahili

5.2 Content

- 5.2.1 Name of our school
- 5.2.2 Symbols of our school and their importance
- 5.2.3 People in our school and their role
- 5.2.5 Things found in our classroom
- 5.2.6 Class seating arrangement
- 5.2.7 Class rules
- 5.2.8 Roles of members of our class
- 5.2.9 Ways of keeping our classroom clean
- 5.2.10 Taking care of things in our classroom
- 5.2.11 The National Anthem in Kiswahili (First stanza)

6.0 SAFETY ON THE WAY TO AND FROM SCHOOL

6.1 Specific Objectives

By the end of this topic, the learner should be able to:-

- a) mention different ways of travelling to school
- b) demonstrate the ability to use the road safely
- c) state the dangers of accompanying and accepting gifts from strangers

6.2 Content

- 6.2.1 Ways of travelling to school
- 6.2.2 Using the road safely
- 6.2.3 Dangers of accompanying and accepting gifts from strangers

7.0 IMPORTANT FEATURES ON THE WAY TO SCHOOL

7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the main features on the way to school
- b) State the importance of the features found on the way to school

7.2 Content

- 7.2.1 Features found on the way to school
- 7.2.2 Importance of features found on the way to school

STANDARD TWO

THEME: LIVING TOGETHER IN SCHOOL AND NEIGHBOURHOOD

1.0 OUR SCHOOL AND ITS SURROUNDINGS

1.1 Specific Objectives

By the end of this topic, the learner should be able to:-

- a) identify buildings in the school
- b) state where the school is found
- c) observe the weather experienced around the school

2.0 Content

- 2.1.1 Buildings in the school
- 2.1.2 Location of the school
- 2.1.3 Weather around the school

3.0 ACTIVITIES IN THE SCHOOL

3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) appreciate the need to learn
- b) identify the games played in school
- c) state ways of keeping the school compound clean
- d) appreciate keeping the school compound clean
- e) state the school rules
- f) recite and sing the second stanza of the National Anthem in Kiswahili

3.2 Content

- 3.2.1 The need to learn
- 3.2.2 Games played at school
- 3.2.3 Ways of keeping the school compound clean
- 3.2.4 School rules
- 3.2.5 The National Anthem(second stanza in Kiswahili)

4.0 OUR NEEDS AT SCHOOL

4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name the items required at school for learning
- b) state his/her needs at school
- c) state ways in which his/her needs at school are met
 - d) state the problems faced in trying to meet his/her needs at school
- e) demonstrate ability of caring for things in school
- f) appreciate the need to take care of things in school

4.2 Content

- 4.2.1 Items required at school for learning
- 4.2.2 Our needs at school
- 4.2.3 Ways of meeting our needs at school
- 4.2.4 Problems faced in meeting our needs at school
- 4.2.5 Caring for things in school

5.0 SAFE TRAVEL TO AND FROM SCHOOL

5.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name the basic road signs
- b) appreciate the importance of road signs
- c) mention the dangers on the way to and from school

5.2 Content

- 5.2.1 Basic road signs
 - Pedestrian crossing
 - Traffic lights
 - Children crossing
 - Bends and bumps
- 5.2.2 Dangers on the way to and from school
 - Dangerous animals, insects and plants
 - Open pits

6.0 OUR SCHOOL COMMUNITY

6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name pupils in their class
- b) identify the teachers and workers
- c) state the role of pupils in their school
- d) State the role of teachers and workers

6.2 Content

- 6.2.1 Names of Pupils in the class
- 6.2.2 teachers and workers in the school
- 6.2.3 Role of pupils in the school
- 6.2.4 Role of teachers and workers in the school

7.0 THE SCHOOL NEIGHBOURHOOD

7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the main physical features around the school
- b) identify the community groups living around the school
- c) list needs of the people living around the school
- d) state how people around the school meet their needs
- e) state the social activities of the people around the school

7.2 Content

- 7.2.1 Main Physical features around the school
- 7.2.2 Communities living around the school
- 7.2.3 Needs of the people living around the school
- 7.2.4 Ways in which people around the school meet their needs
- 7.2.5 Social activities
 - Games and sports
 - Songs and dances
 - Worship

8.0 CHILD PROTECTION

8.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the Rights of a Child
- b) identify types of child abuse at home and school
- c) state ways children can be protected from abuse

8.2 Content

8.2.1 Child Rights

8.2.2 Child abuse at home and school

8.2.3 Protecting children from abuse

7. RESOURCES IN THE LOCATION

7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the main resources found in the Location
 - b) state the importance of the resources found in the Location
- c) name market centres in the location

7.2 Content

7.2.1 The Main resources in the location

- Crops
- Animals
- Fish
- Honey

7.2.2 Importance of resources in the location

7.2.3 Market centres in the Location

NB. Teach what is found in the location

10.0 ADMINISTRATION IN THE LOCATION

10.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the administrative Location where the school is found
- b) mention the administrative units in the Location
- c) outline the order of administrative units in the Location
- d) state the role of administrators in the Location
- e) appreciate the role of administrators in the Location

10.2 Content

- 10.2.1 Name of the Location where the school is found
- 10.2.2 Administrative units in the Location
- 10.2.3 Order of administration in the Location
- 10.2.4 Role of administrators in the Location

STANDARD THREE

THEME: LIVING TOGETHER IN THE DISTRICT

1.0 PHYSICAL ENVIRONMENT

1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name the district in which the school is found
- b) name the divisions that make up the district
- c) name the four cardinal points of a compass
 - d) use the four compass points to give direction of places
 - e) identify the main physical features found in the district
 - f) state the importance of physical features in the district

1.2 Content

- 1.2.1 District where the school is found
- 1.2.2 Divisions that make up the district
- 1.2.3 Direction
 - Right and left
 - Cardinal points of a compass
- 1.2.4 Using the four compass points to give direction
- 1.2.5 Main physical features in the district
- 1.2.6 Importance of the main physical features in the district

2.0 WEATHER AND SEASONS IN THE DISTRICT

2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) list the elements of weather;
 - b) state the effects of weather on human activities;
 - c) list ways of protecting oneself from bad weather;
- d) name the seasons experienced in the district;
- e) state the activities carried out during each season.

2.2 Content

- 2.2.1 Elements of weather: rain, sunshine, wind and clouds
- 2.2.2 Effects of weather on human activities
- 2.2.3 Ways of protecting oneself from bad weather
- 2.2.4 Seasons experienced in the district
- 2.2.5 Activities carried out during different seasons

2. COMMUNITIES LIVING IN THE DISTRICT

2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify communities living in the district
- b) state different ways in which people in the district depend on one another
- c) appreciate the ways in which people depend on one another in the district

2.2 Content

2.2.1 Communities living in the district

2.2.2 Interdependence of communities in the district

3. OUR NEEDS IN THE DISTRICT

3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the types of needs in the district
- b) state how the needs in the district are met
- c) appreciate the efforts being made to meet our needs in the district

3.2 Content

3.2.1 Types of needs in the district

3.2.2 Meeting the needs in the district

4. RESOURCES AND ECONOMIC ACTIVITIES

4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) list resources found in the district
- b) state the importance of resources in the district
- c) state ways in which resources could be used effectively
- d) identify economic activities practiced in the district
- e) state the importance of economic activities in the district

- f) name the urban centres in the district
- g) identify the means of travel in the district

4.2 Content

- 4.2.1 Resources in the district
- 4.2.2 Importance of the resources in the district
- 4.2.3 Effective use of resources
- 4.2.4 Economic activities in the district
- 4.2.5 Importance of economic activities in the district
- 5.4.6 Main urban centres in the district

5. CARING FOR THE ENVIRONMENT

5.1 Specific Objectives

By the end of this topic, the learner should be able to:-

- a) identify sources of water
- b) mention the uses of water
- c) state how water sources may be protected
- d) state the uses of trees found in the district
- e) state how trees should be cared for
- f) desire to participate in the tree planting activities
- g) name the animals found in the district
- h) state ways of caring for animals

6.2 Content

- 6.2.1 Sources water
- 6.2.2 Uses of water
- 6.2.3 Caring for water sources
- 6.2.4 Uses of trees
- 6.2.5 Caring for trees
- 6.2.6 Animals found in the District
 - Domestic
 - Wild
- 6.2.7 Caring for animals

6. ADMINISTRATION IN THE DISTRICT

6.1 Specific Objectives

By the end of this topic, the learner should be able to:-

- a) identify the administrative units in the district
- b) outline the order of administration in the district
- c) state the duties of administrative leaders in the district
 - d) appreciate the role of administrative leaders in the district
- e) state the importance of maintaining law and order in society
- f) appreciate the importance of maintaining law and order in society

6.2 Content

- 1.1 Administrative units in the District
- 1.2 Order of administration in the District
- 1.3 Duties of administrative leaders in the District
 - District Commissioner
 - District Officer
- 1.4 Importance of law and order in society

STANDARD FOUR

THEME: LIVING TOGETHER IN THE PROVINCE

1.0 PHYSICAL ENVIRONMENT

1.1. Specific Objectives

By the end of this topic, the learner should be able to:

- a) name the Province where the school is located
- b) identify the districts that make up the Province
- c) name the eight points of the compass
- d) use the eight point compass to give direction
- e) identify the main physical features in the Province
- f) state the importance of physical features in the Province
- g) identify the main types of natural vegetation in the Province
- h) state the importance of vegetation in the Province
- i) state the meaning of weather
- j) name weather measuring instruments

1.2 Content

- 1.2.1 Province where the school is located
- 1.2.2 Districts making up the Province
- 1.2.3 Eight points of the compass
- 1.2.4 Using the eight point compass to give direction
- 1.2.5 Major physical features in the Province
 - rivers
 - lakes
 - mountains
 - hills
 - plains
 - valleys
- 1.2.6 Importance of physical features in the Province
- 1.2.7 Main types of natural Vegetation in the Province
- 1.2.8 Distribution of natural vegetation in the Province
- 1.2.9 Importance of vegetation in the Province
- 1.2.10 Meaning of weather
- 1.2.11 Weather measuring instruments
 - thermometer
 - wind vane
 - rain gauge

NB: Teach only the Province in which the school is located

2.0 PEOPLE AND POPULATION

2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name the language groups found in the Province
- b) identify areas of high population density in the Province
- c) identify areas of low population density in the Province

2.2 Content

2.2.1 Language groups in the Province

- Bantu
- Cushites
- Nilotes
- Semites
- Asians
- Europeans

2.2.2 Areas of high population density in the Province

2.2.3 Areas of low Population density in the Province

3.0 SOCIAL RELATIONS AND CULTURAL ACTIVITIES

3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify moral values in the society
- b) state the importance of moral values in the society
 - c) appreciate the importance of moral values in the society
 - d) describe the traditional way of life of the people in the Province
- e) name the ceremonies and festivals held in the Province
- f) appreciate the role of ceremonies and festivals in the society
- g) state the importance of working together in the community

3.2 Content

3.2.1 Moral values in the society

3.2.2 Importance of moral values

3.2.3 Traditional way of life

- Food
- dressing
- Songs and dances

- Traditional medical practices
- 3.2.4 Ceremonies and Festivals
 - Ceremonies
 - birth and naming
 - initiation
 - Festivals
 - harvest
 - music
 - drama
- 3.2.5 Importance of working together in the community

1. RESOURCES AND ECONOMIC ACTIVITIES

1.1 Agriculture

1.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name the cash crops and food crops grown in the Province
- b) identify the areas where the cash crops are grown
- c) name the types of livestock kept in the Province

1.1.2 Content

- 1.1.2.1 The main cash crops and food crops
- 1.1.2.2 Areas where the cash crops are grown
- 1.1.2.3 Types of livestock kept in the province

NB: details of breeds are not required

4.2 Fishing

4.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify areas where fishing is practiced in the Province
- b) state the importance of fishing

4.2 Content

4.2.2.1 Fishing in the Province

4.2.2.2 Importance of Fishing

4.3 Forestry

4.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) locate the major forests in the Province
- b) state the importance of forests

4.3.2 Content

4.3.2.1 Distribution of forests in the Province

4.3.2.2 Importance of forests

4.4 Wildlife and Tourism

4.4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the types wildlife in the Province
- b) name and locate the game parks and reserves in the Province
- c) state the major tourist attractions in the Province

4.4.2 Content

4.4.2.1 Types of Wildlife in the Province

4.4.2.2 Game parks and reserves in the Province

4.4.2.3 Major tourist attractions in the Province

4.5 Industries

4.5.1 Specific Objectives

By the end of this topic, the learners should be able to:

- a) identify traditional industries in the Province
- b) list the products of traditional industries

4.5.2 Content

4.5.2.1 Traditional Industries

4.5.2.2 Products of traditional industries

4.6 Trade

4.6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the meaning of trade
- b) state the methods of trade
- c) name and locate the major trading centres in the Province

4.6.2 Content

4.6.2.1 Meaning of trade

4.6.2.2 Methods of Trade

- Barter trade
- Currency trade

4.6.2.3 Major trading centres in the Province

4.7 Transport and Communication

4.7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the meaning of transport
- b) list the early forms of transport
- c) list the present forms of transport
- d) identify some major road signs
- e) state the meaning of communication
- f) list the early forms of communication

4.7.2 Content

4.7.2.1 Meaning of transport

4.7.2.2. Early forms of transport

4.7.2.3 Present forms of transport

4.7.2.4 Major Road signs

- Cattle crossing
- Round about
- Train crossing

- Road junction
- 4.7.2.5 Meaning of communication
- 4.7.2.6 Early forms of communication

2. CITIZENSHIP

2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) define the term citizen and citizenship
- b) state qualities of a good citizen
- c) desire to be a good citizen

2.2 Content

- 2.2.1 Meaning of a citizen and citizenship
- 2.2.2 Qualities of a good citizen

3. DEMOCRACY AND HUMAN RIGHTS

3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the meaning of the term democracy
 - b) state ways in which democracy can be applied in school
- c) state the importance of democracy in school
- d) state the meaning of the term human rights
- e) identify some human rights

3.2 Content

- 3.2.1 Meaning of democracy
- 3.2.2 Ways in which democracy can be applied in school
- 3.2.3 Importance of democracy in school
- 3.2.4 Meaning of human rights
- 3.2.5 Human rights
 - Life
 - Fresh air
 - Clean water
 - Balanced diet
 - Safe and clean environment
 - Shelter

- Clothing
- Security
- Expression of opinion
- Education
- Right to own property

4. LAW, PEACE AND CONFLICT RESOLUTION

4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state causes of disagreements in school
- b) identify peaceful ways of resolving disagreements in school
- c) state the importance of peace in the society
- d) state the importance of law and order in the society

4.2 Content

- 4.2.1 Causes of disagreements in school
- 4.2.2 Ways of resolving disagreements in school
- 4.2.3 Importance of peace in society
- 4.2.4 Importance of law and order in society

5. GOVERNMENT OF KENYA

5.1 Provincial Administration

8.1.0 Specific Objectives

By the end of this topic, the learner should be able to:

- a) outline the structure of administration in the Province
- b) state the duties of the Provincial Commissioner
- c) appreciate the role of provincial administration

5.2 Content

- 5.2.1 Structure of Provincial Administration
- 5.2.2 Duties of the Provincial Commissioner

STANDARD FIVE

THEME: LIVING TOGETHER IN OUR COUNTRY KENYA

1.0 THE PHYSICAL ENVIRONMENT

1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) define the term map
- b) identify elements of a map
- c) name the 16 points of a compass
- d) use the 16 point compass to give direction
- e) describe the position of Kenya in relation to her neighbours
- f) state the size and shape of Kenya

1.1.2 Content

- 1.1.2.1 Definition of a map
- 1.1.2.2 Elements of a map and their uses (title, frame, key, scale)
- 1.1.2.3 16 points of the compass
- 1.1.2.4 Use of the 16 point compass to give direction
- 1.1.2.5 Position of Kenya in relation to her neighbours
- 1.1.3.6 Size and shape of Kenya

1.2 Physical Features

1.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the main physical features found in Kenya
- b) locate the main physical features found in Kenya
- c) identify the main relief regions of Kenya
- d) state the characteristics of the relief regions of Kenya
- e) state ways in which physical features influence human activities

1.2.2 Content

- 1.2.2.1 Main physical features of Kenya
 - relief
 - drainage
- 1.2.2.2 Location of the main physical features

- 1.2.2.3 Relief regions in Kenya
- 1.2.2.4 Characteristics of relief regions in Kenya
- 1.2.2.5 Influence of physical features on human activities

1.3 Climate

1.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the meaning of climate
- b) identify climatic regions of Kenya
- c) state the characteristics of climatic regions
- d) state how climate influences human activities

1.3.2 Content

- 1.3.2.1 Meaning of climate
- 1.3.2.2 Climatic regions of Kenya
- 1.3.2.3 Characteristics of climatic regions
- 1.3.2.4 The influence of climate on human activities

Soil

1.4

Specific Objectives

1.4.1

By the end of this topic, the learner should be able to:

- a) identify major soil types in Kenya
- b) state the uses of soil
- c) state the causes of soil erosion

Content

- 1.4.2 Major soil types in Kenya
- 1.4.2.1 Uses of soil
- 1.4.2.2 Causes of soil erosion
- 1.4.2.3

1.5 Vegetation

1.5.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the types of vegetation in Kenya
- b) describe the distribution of vegetation in Kenya
- c) state the importance of vegetation

1.5.2 Content

- 1.5.2.1 Types of vegetation in Kenya
- 1.5.2.2 Distribution of vegetation in Kenya
- 1.5.2.3 Importance of vegetation

2.0 PEOPLE AND POPULATION

2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the language groups in Kenya
- b) state factors that influence population distribution in Kenya
- c) describe population distribution in Kenya

2.2 Content

- 2.2.1 Language
 - groups
 - in
 - Kenya
 - Bantus
 - Nilotes
 - Cushite
 - s
 - Semite
 - s
 - Asians
 - Europeans
- 2.2.3 Factors influencing population distribution in Kenya
- 2.2.4 Population distribution in Kenya

3.0 SOCIAL RELATIONS AND CULTURAL ACTIVITIES

3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state traditional forms of education in Kenya
- b) identify the types of cultural artefacts
- c) state the importance of cultural artefacts
- d) state the meaning of age-groups and age-sets
- e) identify aspects of our culture that need to be preserved

3.2 Content

- 3.2.1 Traditional forms of education
- 3.2.2 Types of cultural artefacts
- 3.2.3 Importance of cultural artefacts
- 3.2.4 Meaning of age groups and age-sets
- 3.2.5 Aspects of our culture that need to be preserved
- 3.2.6 Interaction among Kenyan communities in the past
- 3.2.7 Interaction among Kenyan communities today

2. RESOURCES AND ECONOMIC ACTIVITIES

2.1 Agriculture

2.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the traditional methods of farming
 - b) name the subsistence crops grown in traditional farming
- c) explain ways of food storage in traditional farming
- d) list the cash crops grown in Kenya
 - e) state factors influencing the growth of cash crops in Kenya
- f) locate areas where the cash crops are grown
- g) state the importance of growing cash crops
- h) identify conditions that favour dairy farming
- i) identify areas where dairy farming is carried out
- j) state the benefits of dairy farming
- k) state problems facing dairy farming
 - 1) identify areas where poultry farming is carried out on large scale
- m) identify the methods of poultry farming
- n) state the benefits of poultry farming
- o) state problems facing poultry farming

2.1.2 Content

- 4.1.2.1 Traditional methods of farming
 - shifting cultivation
 - bush fallowing
- 4.1.2.2 Subsistence crops grown in traditional farming
- 4.1.2.3 Food storage in traditional farming
- 4.1.2.4 Cash crops grown in Kenya
 - Tea
 - Flowers

- Wheat
 - Cotton
- 4.2.1.5 Factors influencing the growing of cash crops
 - 4.2.1.6 Areas where the cash crops are grown in Kenya
 - 4.2.1.7 Importance of cash crops growing
 - 4.2.1.8 Conditions favouring dairy farming
 - 4.2.1.9 Areas where dairy farming is carried out
 - 4.2.1.10 Benefits of dairy farming
 - 4.2.1.11 Problems facing dairy farming
 - 4.2.1.12 Areas where poultry farming is practised
 - 4.2.1.13 Methods of Poultry farming
 - 4.2.1.14 Benefits of poultry farming
 - 4.2.1.15 Problems facing poultry farming

2.2 Mining

2.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the meaning of mining
- b) name the major minerals in Kenya
- c) identify areas where the minerals are mined
- d) identify the methods used in mining
- e) state the importance of mining

2.2.2 Content

- 2.2.2.1 Meaning of mining
- 2.2.2.2 Major minerals in Kenya:
 - Soda ash
 - Fluorspar
 - Diatomite
 - Limestone
 - Salt
 - Sand
- 2.2.2.3 Distribution of major minerals
- 2.2.2.4 Methods of mining
- 2.2.2.5 Importance of mining

4.3 Fishing

4.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) define the term fishing
- b) identify major fishing grounds in Kenya
- c) name the types of fish caught
- d) state the methods of fishing
- e) state the methods used to preserve fish

4.3.2 Content

- 4.3.2.1 Meaning of fishing
- 4.3.2.2 Major fishing grounds
- 4.3.2.3 Types of fish caught
- 4.3.2.4 Methods of fishing
- 4.3.2.5 Methods of preserving fish

4.4 Forestry

4.4.1 Specific Objective

By the end of this topic, the learner should be able to:

- a) state the meaning of forestry
- b) name the main types of forests found in Kenya
- c) describe the distribution of forests in Kenya
- d) state the importance of forests

4.4.2 Content

- 4.4.2.1 Meaning of Forestry
- 4.4.2.2 Types of forests
- 4.4.2.3 Distribution of forests
- 4.4.2.4 Importance of forests

4.5 Wildlife and Tourism

By the end of this topic, the learner should be able to:

- a) define the term wildlife
- b) name the national parks and game reserves in Kenya
- c) state the importance of wildlife
- d) state the problems facing wildlife

- e) state the meaning of wildlife conservation
- f) state the efforts being made to conserve wildlife
- g) appreciate the efforts being taken to conserve wildlife
- h) define the term tourism
- i) state the main tourist attractions in Kenya
- j) state the importance of tourism in Kenya
- k) identify problems facing tourism in Kenya

4.5.1 Content

- 4.5.1.1 Meaning of the term wildlife
- 4.5.1.2 National parks and Game reserves
- 4.5.1.3 Importance of wildlife
- 4.5.1.4 Problems facing wildlife
- 4.5.1.5 Meaning of wildlife conservation
- 4.5.1.6 Efforts in conserving wildlife
- 4.5.1.7 Meaning of tourism
- 4.5.1.8 Main tourist attractions in Kenya
- 4.5.1.9 Importance of tourism
- 4.5.1.10 Problems facing tourism

4.6 Trade

4.6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) define the term trade
- b) describe the types of trade in Kenya
- c) state the importance of trade

4.6.2 Content

- 4.6.2.1 Meaning of trade
- 4.6.2.2 Types of trade
- 4.6.2.3 Importance of trade

4.7 Industries

4.7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) define the term industry
- b) identify the types of industries

4.7.2 Content

4.7.2.1 Meaning of industry

4.7.2.2 Types of industries

- Processing
- Manufacturing
- Service

4.8 Transport and Communication

4.8.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify modern forms of transport
- b) state causes of road accidents
- c) state ways of preventing road accidents
- d) identify modern forms of communication

4.8.2 Content

4.8.2.1 Modern forms of transport

- Road
- Water
- Air
- Railway

4.8.2.2 Causes of road accidents

4.8.2.3 Ways of preventing road accidents

4.8.2.4 Modern forms of Communication

4.9 Urbanization

4.9.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the meaning of urbanization
- b) name and locate the major towns in Kenya
 - c) state factors that favour the growth of major towns in Kenya
- d) describe the functions of major towns in Kenya

4.9.2 Content

- 4.9.2.1 Meaning of urbanization
- 4.9.2.2 Major towns in Kenya
 - Nairobi
 - Mombasa
 - Kisumu
 - Eldoret
 - Thika
 - Nakuru
- 4.9.2.3 Location of major towns
- 4.9.2.4 Factors favouring the growth of major towns
- 4.9.2.5 Functions of major towns in Kenya

5.0 POLITICAL DEVELOPMENT AND SYSTEMS

5.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the contributions of prominent traditional leaders in Kenya
- b) describe traditional forms of government
- c) appreciate the role of traditional forms of government
- d) describe the establishment of colonial rule in Kenya.
- e) describe the African response to colonial rule
- f) appreciate the African response to colonial rule

5.2 Content

- 5.2.1 Contributions of prominent traditional leaders in Kenya
 - Masaku
 - Koitalel arap Samoei
 - Mekatilili wa Menza
- 5.2.2 Traditional forms of government
 - The Abawanga
 - The Ameru
- 5.2.3 Establishment of colonial rule in Kenya
- 5.2.4 African response to colonial rule
 - Resistance - the Nandi, Ababukusu
 - Collaboration - Nabongo Mumia, Waiyaki Wa Hinga

6.0 CITIZENSHIP

6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify ways of becoming a Kenyan citizen
- b) state responsibilities of a Kenyan citizen
- c) explain the importance of good citizenship

6.2 Content

- 6.2.1 Ways of becoming a Kenyan citizen
- 6.2.2 Responsibilities of a Kenyan citizen
- 6.2.3 Importance of good citizenship

7.0 DEMOCRACY AND HUMAN RIGHTS

7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name different types of democracy
- b) explain the different types of democracy
- c) identify forms of child abuse
- d) suggest ways of protecting children from abuse

7.2 Content

- 7.2.1 Types of democracy
 - Direct
 - Representative (parliamentary)
- 7.2.2 Forms of child abuse
- 7.2.3 Ways of protecting children from abuse

7. LAW, PEACE AND CONFLICT RESOLUTION

7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the causes of lawlessness in society
- b) state the effects of lawlessness in society

- c) appreciate the importance of the rule of law in society

7.2 Content

- 7.2.1 Causes of lawlessness
- 7.2.2 Effects of lawlessness

8. GOVERNMENT OF KENYA

8.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the three arms of Government
- b) state the composition of the three arms of Government
- c) state the composition of the body in charge of elections in Kenya

8.2 Content

- 8.2.1 Arms of Government
 - The Legislature
 - The Executive
 - The Judiciary
- 8.2.2 Composition of the Arms of Government
- 8.2.3 Composition of the body in charge of elections in Kenya

STANDARD SIX

THEME: LIVING TOGETHER IN EASTERN AFRICA

1.0 PHYSICAL ENVIRONMENT

1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name the countries of Eastern Africa
- b) state the position and size of each of the countries of Eastern Africa
- c) define longitude and latitude
 - d) use lines of longitude and latitude to locate places
- e) interpret a map

1.2 Content

- 1.1.2.1 Countries of Eastern Africa
- 1.1.2.2 Position and Sizes of the countries of Eastern Africa
- 1.1.2.3 Definition of longitude and latitude
- 1.1.2.4 Use of longitudes and latitudes to locate places
- 1.1.2.5 Map interpretation
- 1.1.2.6 Lines of longitude and latitude

1.1 Physical Features

1.1.2 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the major physical features in Eastern Africa
- b) describe the relief regions of Eastern Africa
- c) describe the formation of major physical features

1.1.2 Content

- 1.1.2.1 Major physical features in Eastern Africa
- 1.1.2.2 Relief regions of Eastern Africa
- 1.1.2.3 Formation of major physical features
 - Mountains (block)
 - Volcano
 - Rift Valleys
 - Lakes

Climate

Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify some weather measuring instruments
- b) construct a windvane using locally available materials
- c) state factors influencing climate
- d) describe the characteristics of climatic regions of Eastern Africa

Content

Weather instruments

- Barometer
- Anemometer

Construction of a windvane

Factors influencing climate

Characteristics climatic regions of Eastern Africa

Vegetation

Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the types of vegetation in Eastern Africa
- b) describe the types of vegetation in Eastern Africa
- c) state the factors influencing vegetation distribution in Eastern Africa

Content

Types of vegetation

Description of vegetation in Eastern Africa

Factors influencing vegetation distribution in Eastern Africa

PEOPLE AND POPULATION

Specific Objectives

By the end of this topic, the learner should be able to:

- a) classify the communities of Eastern Africa according to language groups

- b) trace the origin and migration routes of the main language groups
- c) state the reasons for migrations
 - d) identify places where the language groups settled
- e) explain the effects of migrations and settlement
- f) describe the distribution of population in Eastern Africa
- g) explain the factors influencing population distribution

2.2 Content

- 2.2.1 Classification on communities in Eastern Africa into main language groups
- 2.2.2 Origin and migration of main language groups in Eastern Africa
- 2.2.3 Reasons for migration of main language groups in Eastern Africa
- 2.2.4 Settlement of language groups
- 2.2.5 Effects of migration and settlement
- 2.2.6 Population distribution in Eastern Africa
- 2.2.7 Factors influencing population distribution in Eastern Africa

3.0 SOCIAL RELATIONS AND CULTURAL ACTIVITIES

3.1 The Family

3.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state types of families
- b) identify needs of family members
- c) state the responsibilities of family members

3.1.2 Content

- 3.1.2.1 Types of families
- 3.1.2.2 Needs of family members - Basic and secondary needs
- 3.1.2.3 Responsibilities of family members

3.2 The School

3.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) explain the meaning of the school motto
- b) describe the school routine

- c) state the importance of school routine
- d) appreciate the importance of the school routine

3.2.2 Content

- 3.2.1.1 Meaning of the school motto
- 3.2.2.2 School routine
- 3.2.2.3 Importance of school routine

3.3 The Clan System

3.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) explain how a clan is formed
- b) state the functions of clans

3.3.2 Content

- 3.3.2.1 Formation of clans
- 3.3.2.2 Functions of clans

4.0 RESOURCES AND ECONOMIC ACTIVITIES

4.1 Agriculture

4.1.1 Specific Objectives

By the end of this topic, the learner should be able to:-

- a) state the conditions that favour the growth of cash crops in Eastern Africa
- b) identify the areas where the cash crops are grown
 - c) state the contribution of cash crop growing to the economy
- d) identify areas where beef farming is practised in Kenya and Tanzania
- e) state the contribution of beef farming to the economy of Kenya and Tanzania

4.2.1 Content

4.1.2.2 Conditions that favour cash crop farming in Eastern Africa

- Coffee growing in Kenya and Ethiopia
- Maize growing in Kenya and Tanzania
- Banana growing in Kenya and Uganda
- Sisal growing in Kenya and Tanzania
- Sugarcane growing in Kenya and Sudan

4.1.2.3 Contribution of cash crop farming to the economy

4.1.2.4 Areas where Beef farming is practiced in Kenya and Tanzania

4.1.2.5 Contribution of beef farming to the *economy* of Kenya and Tanzania

4.1.2.6 Problems facing beef farming in Kenya and Tanzania

4.4 Fishing

4.4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the inland fishing areas in Kenya, Uganda and Tanzania
- b) identify main sea fishing grounds
- c) identify types of fish caught
- d) state the problems facing inland fishing in Kenya and Tanzania
- e) explain the problems facing sea fishing in Kenya and Tanzania

4.4.2 Content

4.4.2.1 Inland fishing areas in Kenya, Uganda, and Tanzania

4.4.2.2 Sea fishing grounds in Kenya and Tanzania

4.4.2.3 Types of fish caught

4.4.2.4 Problems facing inland fishing in Kenya and Tanzania

4.4.2.5 Problems facing sea fishing in Kenya and Tanzania

4.3 Trade

4.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the forms of trade in Eastern Africa
 - b) identify imports and exports of the countries of Eastern Africa
- c) identify factors influencing trade in Eastern Africa
- d) state the benefits of trade in Eastern Africa
- e) state the problems facing trade in Eastern Africa

4.3.2 Content

- 4.3.2.1 Forms of trade in Eastern Africa
- 4.3.2.2 Imports and exports of countries in Eastern Africa
- 4.3.2.3 Factors influencing trade in Eastern Africa
- 4.3.2.4 Benefits of trade in Eastern Africa
- 4.3.2.5 Problems facing trade in Eastern Africa

4.4 Transport and Communication

4.4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) list forms of transport used in Eastern Africa
- b) state the problems faced in transport in Eastern Africa
- c) list the various means of communication in Eastern Africa
 - d) state the problems facing communication in Eastern Africa
- e) state the benefits of improved transport and communication systems in Eastern Africa

4.4.2 Content

- 4.4.2.1 Forms of transport used in Eastern Africa
- 4.4.2.2 Problems faced in transport in Eastern Africa
- 4.4.2.3 Means of communication in Eastern Africa
- 4.4.2.4 Problems facing communication in Eastern Africa
- 4.4.2.5 Benefits of improved transport and communication systems in Eastern Africa

4.5 Industries

4.5.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify major industries found in Eastern Africa
- b) state the importance of industries in Eastern Africa
- c) state the problems facing industries in Eastern Africa
- d) explain the impact of industries on the environment

4.5.2 Content

- 4.5.2.1 Major industries in Eastern Africa
- 4.5.2.2 Importance of industries in Eastern Africa

4.5.2.3 Problems facing industries in Eastern Africa

4.5.2.4 Impact of industries on the environment

4.6 Wildlife and Tourism

4.6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) locate major game parks and game reserves in Eastern Africa
- b) state the meaning of wildlife conservation
- c) discuss wildlife conservation measures
- d) identify the main tourist attractions in Eastern Africa
- e) state the benefits of tourism
- f) state the problems facing tourism

4.6.2 Content

- 4.6.2 .1 Major game parks and game reserves in Eastern Africa
- 4.6.2 .2 Meaning of wildlife conservation
- 4.6.2 .3 Wildlife conservation measures
- 4.6.2.4 Main tourist attractions in Eastern Africa
- 4.6.2 .5 Benefits of tourism
- 4.6.2 .6 Problems facing tourism

4.7 Urbanization

4.7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) locate the towns in Eastern Africa
- b) state functions of towns in Eastern Africa
- c) state the problems facing urban centres
 - d) identify the efforts being made to solve problems in urban centres
 - e) appreciate efforts being made to solve problems in urban centres

4.7.2 Content

- 4.7.2.1 Location of selected towns
 - Mombasa
 - Kampala
 - Jinja
 - Dar-es-Salaam

- Dodoma
- Arusha
- Addis Ababa

- 4.7.2.2 Functions of the selected towns in Eastern Africa
- 4.7.2.3 Problems facing urban centres
- 4.7.2.4 Efforts being made to solve problems in urban centres

5.0 POLITICAL DEVELOPMENT AND SYSTEMS

5.1 Traditional forms of government

5.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the traditional forms of government in Eastern Africa
- b) discuss the role of traditional forms of government in society

5.1.2

Content

5.1.2.1

Traditional forms of government

- The Buganda

5.1.2.2

- The Nyamwezi

5.2

Role of traditional governments in society

Early Visitors to Eastern Africa

By the end of the topic, the learner should be able to:

- a) identify the early visitors to Eastern Africa
- b) identify the reasons for the coming of early visitors to Eastern Africa
- c) state the results of the coming of the early visitors to Eastern Africa

5.2.1

Content

5.2.1.1

Early visitors to Eastern Africa

- Explorers
 - John Speke
 - Fl. M. Stanley
 - Vasco daGama
- Traders
 - Seyyid Said

William Mackinnon

- Carl Peters
- Missionaries
 - Dr. Ludwig Rrapf,
 - Johannes Rebmman
 - Dr. David Livingstone

5.2.1.2 Reasons for the coming of early visitors

5.2.1.3 Results of the coming of early visitors

5.3 Establishment of Colonial Rule

5.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the scramble for and partition of Eastern Africa
- b) state the reasons for the scramble for colonies in Eastern Africa
- c) describe the establishment of colonial rule in Eastern Africa

5.3.2 Content

5.3.2.1 Scramble for and partition of Eastern Africa.

5.3.2.2 Reasons for the Scramble

5.3.2.3 Establishment of colonial rule

5.4 Colonial Systems of Administration

5.4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the British colonial administration in Kenya
- b) describe the German colonial administration in Tanganyika
- c) state the effects of colonial rule in Eastern Africa

5.4.2 Content

5.4.2.1 The British colonial administration in Kenya

5.4.2.2 The German colonial administration in Tanganyika

5.4.2.3 Effects of colonial rule in Eastern Africa

5.5 African Response to Colonial Rule

5.5.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe Africa response to colonial rule
- b) appreciate African response to colonial rule

5.5.2 Content

5.5.2.1 African response to colonial rule

- Resistance
 - Kabaka Mwanga
 - Hehe rebellion
- Collaboration
 - Kabaka Mutesa 1
 - Laibon Lenana

5.6 Struggles for Independence in Tanganyika

5.6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the struggle for independence in Tanganyika
- b) appreciate the efforts made in the struggle for independence in Tanganyika

5.6.2 Content

5.6.2.1 Struggle for independence in Tanganyika

5.7 Contributions of Prominent Leaders

5.7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the contributions of some prominent leaders in Eastern Africa
- b) appreciate the contributions made by the leaders

5.7.2 Content

5.7.2.1 Contribution of prominent leaders in Eastern Africa

- Haile Sellasie

- Julius Nyerere

5.8 Regional Co-operation

5.8.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the formation of different regional organizations
- b) identify the objectives of the regional organizations
- c) identify the member countries of the regional organizations
- d) state the problems facing the regional organizations

5.8.2 Content

5.8.2.1 Regional Organizations

- East African Community (EAC)
- Inter-Governmental Authority on Development (IGAD)

5.8.2.2 Objectives of regional the organisations

5.8.2.3 Member countries of the regional organization

5.8.2.4 Problems facing the regional organisations

6.0 CITIZENSHIP

6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) define the term patriotism
- b) state ways in which a citizen can demonstrate patriotism
- c) Describe the philosophy of African Socialism
- d) state the importance of African Socialism
- e) appreciate the importance of African Socialism

6.2 Content

6.2.1 Meaning of patriotism

6.2.2. Ways of demonstrating patriotism

6.2.3. African Socialism

6.2.4. Importance of African Socialism

7.0 DEMOCRACY AND HUMAN RIGHTS

7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the main principles of democracy
- b) identify types of human rights
 - c) state the rights and responsibilities of persons with special needs
- d) appreciate persons with special needs in the society

7.2 Content

7.2.1 Main principles of democracy

7.2.2 Human rights

7.2.3 Rights and responsibilities of persons with special needs

8.0 LAW, PEACE AND CONFLICT RESOLUTION

8.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify factors that promote peace in society
- b) state factors that undermine peace
- c) state the importance of peace
- d) appreciate the need for peace in society

8.2 Content

8.2.1 Factors that promote peace

8.2.2 Factors that undermine peace

8.2.3 Importance of peace in the society

9.0 THE GOVERNMENT OF KENYA

9.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the functions of the body in charge of elections in Kenya
- b) outline the civic electoral process in Kenya
- c) explain how one may lose a civic seat

9.2 Content

- 9.2.1 The functions of the body in charge of elections in Kenya
- 9.2.2 The civic electoral process *in* Kenya
- 9.2.3 How one may lose a civic seat

STANDARD SEVEN

THEME: LIVING TOGETHER IN AFRICA

1.0 PHYSICAL ENVIRONMENT

1.1 Location, shape and size

1.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the position, shape and size of Africa
- b) name and locate the countries of Africa
- c) identify the major latitudes and longitudes
- d) describe rotation and revolution of the earth
- e) identify the effects of rotation of the earth on time
- f) identify the effects of revolution of the earth
- g) identify and use symbols to read and interpret maps

1.1.2 Content

- 1.1.2.1 Position, shape and size of Africa
- 1.1.2.2 Countries of Africa and their location
- 1.1.2.3 Major latitudes and longitudes
- 1.1.2.4 Rotation and revolution of the earth
- 1.1.2.5 Effects of rotation of the earth on time
- 1.1.2.6 Effects of the revolution of the earth
- 1.1.2.7 Map reading and interpretation

1.2 Physical Features

1.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the main physical features of Africa
- b) describe the formation mountains
- c) describe the formation of lakes
- d) describe the relief regions of Africa

1.2.2 Content

- 1.2.2.1 Main physical features of Africa
- 1.2.2.2 Formation of mountains

- Fold mountains
 - Residual mountains
- 1.2.2.3 Formation of lakes
- 1.2.2.4 Relief regions of Africa

1.3 Climate

1.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) explain the factors that influence climate in Africa
- b) identify the climatic regions of Africa
- c) state the characteristics of climatic regions of Africa
- d) describe the seasons experienced in Africa
- e) explain how climate influences human activities

1.3.2 Content

- 1.3.2.1 Factors influencing climate in Africa
- 1.3.2.2 Climatic regions of Africa
- 1.3.2.3 Characteristics of climatic regions of Africa
- 1.3.2.4 Seasons experienced in Africa
- 1.3.2.5 Influence of climate on human activities

1.4 Vegetation

1.4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify different vegetation zones in Africa
 - b) state the factors that influence the distribution of vegetation
 - c) describe the characteristics of the vegetation in the different zones

1.4.2 Content

- 1.4.2.1 Vegetation zones of Africa
- 1.4.2.2 Factors influencing distribution of vegetation
- 1.4.2.3 Characteristics of vegetation in different zones

2.0 PEOPLE AND POPULATION

2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name the major language groups in Africa
- b) locate the areas where the language groups are found in Africa
- c) state ways through which communities interact in Africa
 - d) state benefits of interaction among communities in Africa
- e) list factors influencing population distribution in Africa
 - f) identify the densely and sparsely populated areas in Africa

2.2 Content

- 2.2.1 Major language groups in Africa
- 2.2.2 Areas where the language groups are found in Africa
- 2.2.3 Interaction among communities in Africa
- 2.2.4 Factors influencing population distribution
- 2.2.5 Densely and sparsely populated areas in Africa

3.0 SOCIAL RELATIONS AND CULTURAL ACTIVITIES

3.1 The Family

3.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) define the term marriage
- b) state the importance of the institution of marriage
- c) appreciate the importance of the institution of marriage

3.1.2 Content

- 3.1.2.1 The meaning of marriage
- 3.1.2.2 Importance of the institution of marriage

3.2 The School

3.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the school administration
- b) state the importance of school administration
 - c) state the role of the school in community development
 - d) state the contribution of the community in school development
- e) appreciate the school community relations

3.2.2 Content

- 3.2.2.1 School administration
- 3.2.2.2 The importance school administration
- 3.2.2.3 The role of the school in community development
- 3.2.2.4 Contribution of the community in school development

4.0 RESOURCES AND ECONOMIC ACTIVITIES

4.1 Agriculture

4.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the conditions necessary for the growth of selected cash crops in Africa
- b) locate areas where the cash crops are grown in Africa
- c) explain the importance of the crops to the economy of Africa
- d) state the conditions favouring pastoral farming in Africa
- e) state the benefits of pastoral farming in Africa
- f) state the problems facing pastoral farming in Africa
- g) identify the developments in pastoral farming areas in Africa

Content

4.1.2

Conditions favouring cash crop farming in Africa

4.1.2.1

Cocoa in Ghana

Cloves in Tanzania

Pyrethrum in Kenya

Areas where the selected crops are grown

4.1.2.2

Importance of the crops to the economy

4.1.2.3

Conditions favouring pastoral farming in Africa

4.1.2.4

- The Maasai

- The Fulani

- TheTswana

Benefits of pastoral farming

Problems facing pastoral fanning in Africa

4.1.2.5

Developments in pastoral farming areas in Africa

4.1.2.6

4.1.2.7

4.2 Multi-Purpose River Project

Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the location of multi-purpose river projects in Africa
- b) state the reasons for establishment of multi-purpose river projects
- c) state the benefits of multi-purpose river projects in Africa
- d) state the problems facing multi-purpose river projects in Africa
- e) appreciate the contribution of multi-purpose river projects to the economies of African countries

Content

4.2.2

Location of selected multi-purpose river projects in Africa

4.2.2.1

- River Tana Projects
- Aswan High Dam
- Volta River Scheme
- Kariba Dam

Reasons for the establishment of multi-purpose river projects in Africa

4.2.2.2

Benefits of multi-purpose river projects in Africa

Problems facing multi-purpose river projects in Africa

4.2.2.3

Forestry

4.2.2.4

Specific Objectives

4.3

By the end of this topic, the learner should be able to:

4.3.1

- a) locate the major forests in Africa
- b) state the importance of forests to the economy of the Democratic Republic of Congo and Swaziland
- c) identify problems facing forestry in The Democratic Republic of Congo and Swaziland

Content

Location of major forests in Africa

4.3.2

Importance of forests to the economy of The Democratic Republic of Congo and Swaziland

Problems facing forestry in The Democratic

4.3.2.1

Republic of Congo and Swaziland

4.3.2.2

4.3.2.3

4.4 Mining

Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe how minerals are extracted
- b) list the uses of minerals
- c) state the contribution of the minerals to the economies of African countries
- d) state the problems associated with mining
- e) state the effects of mining on the environment

4.4.2 Content

4.4.2.1 Extraction of selected minerals mined in Africa

- Petroleum in Nigeria
- Copper in Zambia
- Gold in South Africa
- Soda ash in Kenya

4.4.2.2 Uses of the selected minerals

4.4.2.3 Contribution of minerals to the economies of African countries

4.4.2.4 Problems associated with mining in Africa

4.4.2.5 Effects of mining on the environment

Industrial Development

4.5 Specific Objectives

By the end of this topic, the learner should be able to:

- 4.5.1 a) identify the factors favouring industrial development in Kenya and South Africa
- b) state the contribution of industries to the economies of Kenya and South Africa
- c) state the problems experienced in Kenya and South Africa due to industrial development

Content

4.5.2 Factors favouring industrial development in Kenya and South Africa

4.5.2.1 Contribution of industries to the economies of Kenya and South Africa

4.5.2.2

4.5.2.3 Problems experienced due to industrial development in Kenya and South Africa

4.6 Fishing

4.6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the main inland and sea fishing grounds in Africa
- b) describe the methods used in large scale fishing in Africa
- c) state the contribution of fishing to the economy of Africa
- d) appreciate the contribution of fishing to the economy of Africa
- e) state the problems facing the fishing industry in Africa

4.6.2 Content

- 4.6.2.1 Main inland and sea fishing grounds in Africa
- 4.6.2.2 Methods of Fishing
- 4.6.2.3 Contribution of fishing to the economy of Africa
- 4.6.2.4 Problems facing the fishing industry in Africa

4.7 Trade

4.7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify some regional trade organizations in Africa
- b) describe the formation of the regional organizations
- c) name the member states of the regional organizations
- d) state the objectives of the regional organizations
- e) state the benefits of regional trade to Africa
- f) state the problems facing regional trade in Africa

4.7.2 Content

- 4.7.2.1 Regional trade organizations in Africa
 - Common Market for Eastern and Southern Africa (COMESA)
 - South Africa Development Community (SADC)
 - Economic Community of West African States (ECOWAS)
- 4.7.2.2 Formation of the regional trade organizations in Africa
- 4.7.2.3 Member states of the regional trade organizations
- 4.7.2.4 Objectives of the regional organizations
- 4.7.2.5 Benefits of regional trade in Africa
- 4.7.2.6 Problems facing regional trade in Africa

4.8 Transport and Communication

Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the major transport networks in Africa
- b) explain the advantages and disadvantages of the different forms of transport
- c) state the current developments in communication systems in Africa

4.8.2 Content

- 4.8.2.1 Major transport networks in Africa
- 4.8.2.2 Advantages and disadvantages of different forms of Transport
- 4.8.2.3 Current developments in communication systems in Africa

4.9 Tourism

Specific Objectives

- 4.9.1** By the end of this topic, the learner should be able to:
- a) identify the main tourist attractions in Africa
 - b) list the main tourist destinations in Africa
 - c) state the contribution of tourism to the economies of African countries
 - d) state the challenges facing tourism in Africa
 - e) state possible solutions to the challenges facing tourism in Africa

Content

- 4.9.2** Main tourist attractions in Africa
- Main tourist destinations in Africa
 - South Africa
 - 4.9.2.1 • Egypt
 - 4.9.2.2 • Zimbabwe
 - Kenya
 - Mauritius
 - Morocco
- 4.9.2.3 Contribution of tourism to the economies of the African countries
- 4.9.2.4 Challenges facing tourism in Africa
- 4.9.2.5 Possible solutions to challenges facing tourism in Africa

4.10 Urbanisation

4.10.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) locate the capital cities of countries of Africa
- b) explain reasons for the rapid growth of towns in Africa

4.10.2 Content

- 4.10.2.1 Location of capital cities of countries of Africa
- 4.10.2.2 Reasons for the rapid growth of towns in Africa

5.0 POLITICAL DEVELOPMENT AND SYSTEMS

5.1 Traditional Forms of Government

5.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the political, social and economic organization of the Khoisan
- b) describe the political, social and economic organization of the kingdom of Old Ghana

5.1.2 Content

- 5.1.2.1 Political, social and economic organization of
 - The Khoikhoi
 - The San
- 5.1.2.2 Political, social and economic organization of the kingdom of Old Ghana

5.2 Scramble for and Partition of Africa

5.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state reasons for the scramble for colonies in Africa
- b) Describe the partition of Africa

5.2.2 Content

- 5.2.2.1 Reasons for the scramble for colonies
- 5.2.2.2 The partition of Africa

5.3 African Response to the Scramble and Partition

5.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the African response to the partition of Africa
- b) appreciate the response of Africans to the partition

5.3.2 Content

- 5.3.2.1 African response to the scramble and partition
 - Resistance
 - Samory Toure
 - Collaboration
 - Lewanika

5.4 Colonial Administration in Africa

5.4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify some systems of colonial administration in Africa
- b) describe colonial systems of administration in Africa
- c) state the effects of colonial rule in Africa

5.4.2 Content

- 5.4.2.1 Systems of colonial administration in Africa
 - Direct
 - Indirect
 - Assimilation
- 5.4.2.2 Colonial systems of administration
 - The Belgians in Congo

- The Portuguese in Mozambique
- The British in Northern Nigeria

5.4.2.3 Effects of colonial rule in Africa

5.5 Struggle for Independence

5.5.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the struggle for independence in Ghana and Zimbabwe
- b) appreciate the efforts made in the struggle for independence

5.5.2 Content

5.5.2.1 Struggle for independence in:

- Ghana
- Zimbabwe

5.6 Contributions of Prominent African Leaders

5.6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the contributions of some prominent African leaders to the struggle for independence
- b) appreciate the contributions of the African leaders to the struggle for independence

5.6.2 Content

5.6.2.1 Contribution of prominent African leaders

- Nelson Mandela
- Gamal Abdel Nasser
- Leopold Senghor

5.7 Present Systems of Government in Kenya and Swaziland

5.7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the present system of government in Swaziland

- b) state the similarities and differences in the systems of government in Kenya and Swaziland

5.7.2 Content

- 5.7.2.1 The system of government in Swaziland
- 5.7.2.2 Similarities and differences in the systems of government in Kenya and Swaziland

5.8 Organization of African Unity (OAU), African Union (AU)

5.8.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the formation of the OAU
- b) list the members of the OAU
- c) state the functions of the OAU
- d) outline the achievements of the OAU
- e) identify problems that faced the OAU
- f) explain why African countries formed the AU
- g) state the objectives of the AU

5.8.2 Content

- 5.8.2.1 Formation of OAU
- 5.8.2.2 Members of OAU
- 5.8.2.3 Functions of OAU
- 5.8.2.4 Achievements of OAU
- 5.8.2.5 Problems that faced OAU
- 5.8.2.6 Formation of AU
- 5.8.2.7 The objectives of AU

6.0 CITIZENSHIP

6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name the commonly abused drugs
 - b) state the effects of drugs and substance abuse in the society
 - c) state possible ways of curbing drugs and substance abuse
- d) state ways of ensuring the inclusion of persons with special needs in the society

- e) identify ways in which citizens can demonstrate collective responsibility for the benefit of society

6.2 Content

- 6.2.1 Commonly abused drugs
- 6.2.2 Effects of drugs and substance abuse
- 6.2.3 Ways of curbing drugs and substance abuse
- 6.2.4 Inclusion of persons with special needs in society
 - Building positive attitudes
 - Creating friendly environments
 - Providing equal opportunities
- 6.2.2 Collective responsibility

7.0 DEMOCRACY AND HUMAN RIGHTS

7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the benefits of democracy to the society
- b) identify ways in which human rights are abused
- c) state the importance of respecting human rights
- d) appreciate the need to respect human rights

7.2 Content

- 7.2.1 Benefits of democracy
- 7.2.2 Abuse of human rights
- 7.2.3 Importance of respecting human rights

8.0 LAW, PEACE AND CONFLICT RESOLUTION

8.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state causes of conflict in society
- b) state ways of resolving conflicts
- c) demonstrate ability and willingness to resolve disputes in and out of school

8.2 Content

- 8.2.1 Causes of conflicts
- 8.2.2 Ways of resolving conflicts

9.0 THE GOVERNMENT OF KENYA

9.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) define the term “constitution”
- b) state the elements of the Kenya Constitution
- c) discuss the importance of the Kenya Constitution
- d) explain the Parliamentary electoral process in Kenya
- e) explain how one may lose a parliamentary seat
- f) identify the role of a citizen in the electoral process
- g) state the importance of participating in elections
- h) identify the responsibilities of the government to its citizens
 - i) appreciate the responsibilities of the government to its citizens

9.2 Content

- 9.2.1 Meaning of Constitution
- 9.2.2 The Kenya Constitution
- 9.2.3 Importance of Kenya Constitution
- 9.2.4 Parliamentary electoral process in Kenya
- 9.2.5 How one may lose a parliamentary seat
- 9.2.6 Role of a citizen in the electoral process
- 9.2.7 Importance of participating in elections
- 9.2.8 Responsibility of government to its citizens

STANDARD EIGHT

THEME: LIVING TOGETHER IN KENYA AND THE WORLD

1.0 PHYSICAL ENVIRONMENT

1.1 Map Reading and Interpretation

1.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify and use symbols to read and interpret a map
- b) describe direction of places using compass points
- c) measure distance on maps accurately
- d) calculate area on maps

1.1.2 Content

- 1.1.2.1 Use of symbols to read and interpret a map
- 1.1.2.2 Direction of places using compass points
- 1.1.2.3 Measuring distance on a map
- 1.1.2.4 Calculation of area on a map

1.2 Physical Features

1.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) explain effects of physical features on human activities
- b) appreciate the effect of physical features on human activities

1.2.2 Content

- 1.2.2.1 Effect of physical features on human activities

1.3 Climate

1.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the traditional methods of observing weather

- b) observe ,measure and record weather elements
- c) state factors that influence climate change
- d) explain the impact of climate change on human activities

1.3.2 Content

- 1.3.2.1 Traditional methods of observing weather
- 1.3.2.2 Observation, Measurement and recording elements of weather
 - Temperature
 - Rainfall
 - Wind
 - Humidity
 - Atmospheric pressure
- 1.3.2.3 Factors that influence climate change
- 1.3.2.4 Impact of climate change on human activities

Soil

1.4

Specific Objectives

1.4.1

By the end of this topic, the learner should be able to:

- a) state the causes of soil erosion in Kenya
- b) state the effects of soil erosion on human activities in Kenya
- c) describe soil conservation measures in Kenya

1.4.2 Content

- 1.4.2.1 Causes of soil erosion
- 1.4.2.2 Effects of soil erosion on human activities
- 1.4.2.3 Soil conservation

PEOPLE AND POPULATION

2.0

Human Origin Specific Objectives

2.1

By the end of this topic, the learner should be able to:

- 2.1.1
 - a) state the theories of human origin
 - b) identify the stages through which humans evolved during the Stone Age period
 - c) name and locate the pre-historic sites in Eastern Africa

2.1.2 Content

- 2.1.2.1 Theories of human origin
 - Mythical
 - Creation
 - Evolution
- 2.1.2.2 Stages of human evolution from the stone age period
 - Homo Habilis
 - Homo Erectus
 - Homo Sapiens
- 2.1.2.3 Pre-historic sites in Eastern Africa and their location

2.2 Types of Migration

2.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the different types of migration
- b) state reasons for the different types of migration
- c) state effects of the migrations

2.2.2 Content

- 2.2.2.1 Types of migrations
 - Rural - urban migration
 - Urban - rural migration
 - Rural - rural migration
 - Urban - urban migration
 - Migrations into and from Kenya
- 2.2.2.2 Reasons for migrations
- 2.2.2.3 Effects of migrations

2.3 Population Growth

2.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) explain factors that lead to slow population growth
- b) state problems that result from slow population growth
- c) explain factors that lead to rapid population growth
- d) state problems that result from rapid population growth

- f) explain ways of managing population growth

2.3.2 Contents

- 2.3.2.1 Factors that lead to slow population growth
- 2.3.2.2 Problems that result from slow population growth
- 2.3.2.3 Factors that lead to rapid population growth
- 2.3.2.4 Problems that result from rapid population growth
- 2.3.2.5 Effects of HIV and AIDS on population growth
- 2.3.2.6 Ways of managing population growth

2.4 Population Structure of Kenya

2.4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the population structure of Kenya
- b) compare the population structure of Kenya to those of India and Germany

2.4.2 Content

- 2.4.2.1 The population structure of Kenya
- 2.4.2.2 Comparison of the population structure of Kenya to those of Germany and India

3.0 SOCIAL RELATIONS AND CULTURAL ACTIVITIES

3.1 The Family

3.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify different marriage systems
- b) appreciate the marriage systems
- c) state the rights and responsibilities of spouses in marriage
- d) identify different systems of succession and inheritance of family wealth

3.1.2 Content

- 3.1.2.1 Marriage systems
- 3.1.2.2 Rights and responsibilities of spouses in a marriage
- 3.1.2.3 Succession and inheritance of family wealth

3.2 The School

3.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the role of the School Management Committee
- b) state the role of pupils in school management

3.2.2 Content

- 3.2.2.1 The role of the School Management Committee
- 3.2.2.2 The role of the pupils in school management

4.0 RESOURCES AND ECONOMIC ACTIVITIES

4.1 Agriculture

4.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the areas where European settler farming was practised in Kenya
- b) describe the European settler farming in Kenya
- c) explain the effects of European settler farming in Kenya
- d) identify the settlement schemes in Kenya
 - e) state the reasons for establishment of settlement schemes in Kenya
- f) state the benefits of settlement schemes to Kenya
- g) state the problems facing settlement schemes in Kenya
- h) name the crops grown in the irrigation schemes in Kenya
 - i) describe the methods of irrigation used in irrigation farming
- j) state the contribution of the irrigation schemes to the economy
- k) explain problems facing irrigation farming in Kenya
- l) explain the meaning of the term horticulture
- m) identify the crops grown in horticultural farming
- n) state the contribution of horticultural farming to the economy of Kenya
- o) state the problems facing horticultural farming in Kenya

- p) compare horticultural farming in Kenya and the Netherlands
- q) identify fish farming areas in Kenya
- r) compare fish farming in Kenya and Japan

4.1.2 Content

- 4.1.2.1 Areas where European Settler farming was practised in Kenya
- 4.1.2.2 European Settler farming in Kenya
- 4.1.2.3 Effects of European Settler farming in Kenya
- 4.1.2.4 Settlement schemes in Kenya
- 4.1.2.5 Reasons for the establishment of settlement schemes in Kenya
- 4.1.2.6 Benefits of settlement schemes in Kenya
- 4.1.2.7 problems facing settlement schemes in Kenya
- 4.1.2.8 Crops grown in the selected irrigation schemes
 - Mwea Tabere
 - Perkerra
- 4.1.2.9 Methods of irrigation in the selected schemes
- 4.1.2.10 Contribution of irrigation schemes to the economy of Kenya
- 4.1.2.11 Problems facing irrigation farming in Kenya
- 4.1.2.12 Meaning of the term horticulture
- 4.1.2.13 Crops grown in horticultural farming
- 4.1.2.14 Contribution of horticultural farming to the economy of Kenya
- 4.1.2.15 Problems facing horticultural farming in Kenya
- 4.1.2.16 Comparison of horticultural farming in Kenya and Netherlands'
- 4.1.2.17 Fish farming areas in Kenya
- 4.1.2.18 Comparison of fish farming in Kenya and Japan

4.2 Mining

4.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) locate the distribution of the minerals in Kenya
- b) describe ways of extracting minerals
- c) state the uses of the minerals
- d) state the contribution of minerals to the economy
- e) state the effects of mining on the environment

4.2.2 Content

4.2.2.1 Distribution of minerals in Kenya

- Fluorspar
- Limestone
- Diatomite
- Gemstones
- Marble
- Salt

4.2.2.2 Extraction of the selected minerals

4.2.2.3 Uses of the selected minerals

4.2.2.4 Contribution of minerals to economy of Kenya

4.2.2.5 Effects of mining on the environment

4.3 Forestry

4.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify types of forests in Kenya
- b) explain problems facing forests in Kenya
- c) state the effects of deforestation in Kenya
- d) explain how forests are conserved
- e) appreciate the need to conserve forests

4.3.2 Content

4.3.2.1 Types of forests in Kenya

4.3.2.2 Problems facing forests

4.3.2.3 Effects of deforestation

4.3.2.4 Forest conservation measures

4.4 Wildlife and Tourism

4.4.1 Specific Objective

By the end of this topic, the learner should be able to:

State the similarities and differences between tourist attractions in Kenya and Switzerland

4.4.2 Content

- 4.4.2.1 Similarities and differences between Tourist attractions in Kenya and Switzerland

4.5 Industries

4.5.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) classify types of industries
- b) state factors influencing the location of industries
- c) state reasons for establishment of Jua Kali industries
- d) explain benefits of Jua Kali industries
- e) state problems facing the Jua Kali industries
- f) explain the contribution of industries to the economy
- g) explain problems facing industries in Kenya
- h) explain the effects of industries on the environment

4.5.2 Content

- 4.5.2.1 Types of industries:

- Primary
- Secondary
- Service

- 4.5.2.2 Factors influencing the location of industries

- Reasons for the establishment of Jua kali industries

- 4.5.13** Benefits of Jua Kali industries

- 4.5.2.4 Problems facing Jua Kali Industries

- 4.5.2.5 Contribution of industries to the economy of Kenya

- 4.5.2.6 Problems facing industries in Kenya

- 4.5.2.7 Effects of Industries on the environment

- 4.5.2.8

4.6 Urbanization

4.6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) locate the main towns in Kenya
- b) state the functions of the main towns in Kenya
- c) state problems facing urban centres
- d) identify efforts being made to solve problems in urban centres

4.7.2 Content

- 4.7.2.1 Location of main towns in Kenya
- 4.7.2.2 Functions of main towns in Kenya
- 4.7.2.3 Problems facing main towns in Kenya
- 4.7.2.4 Efforts in solving urban problems in Kenya

4.8 Transport and Communications

4.8.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify forms of transport
- b) state problems facing forms of transport
- c) state measures taken to cater for persons with special needs in transport
- d) identify the major road signs
- e) demonstrate basic First Aid procedure
- f) identify forms of communication systems
- g) state problems facing forms of communication
- h) state measures taken to cater for persons with special in communication

4.8.2 Content

- 4.8.2.1 Forms and of transport
- 4.8.2.2 Problems facing forms of transport
- 4.8.2.3 Catering for people with special needs in transport
- 4.8.2.4 Major road signs
- 4.8.2.5 First Aid procedure
- 4.8.2.6 Forms of communication systems
- 4.8.2.7 Problems facing the communication systems in Kenya
- 4.8.2.8 Measures taken to cater for persons with special needs in communication

4.9 Trade

4.9.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name exports from Kenya to other parts of the world
- b) name the imports to Kenya

- c) explain the benefits of trade to Kenya's economy
- d) identify the role of government in trade
- e) appreciate the role of government in promoting trade
- f) define the term business opportunities
- g) explain different business opportunity in Kenya

4.9.2 Content

- 4.9.2.1 Export from Kenya
- 4.9.2.2 Imports to Kenya
- 4.9.2.3 Benefits of trade to Kenya's economy
- 4.9.2.4 Role of government in promoting trade
- 4.9.2.5 Meaning of business opportunities
- 4.9.2.6 Business opportunities in Kenya

5.0 POLITICAL DEVELOPMENT AND SYSTEMS

5.1 Activities of Early Political Associations in Kenya up to 1939

5.1.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify early political associations in Kenya upto 1939
- b) state reasons for the formation of early political associations in Kenya
- c) describe the role played by early political associations in the¹ struggle for independence in Kenya
- d) appreciate the role of the early political associations to Kenya's political development.

5.1.2 Content

- 5.1.2.1 Political Associations in Kenya
 - East African Association
 - Young Kikuyu Association
 - Kikuyu Central Association
 - Kavirondo Tax Payers Welfare Association
- 5.1.2.2 Reasons for the formation of early political associations in Kenya
- 5.1.2.3 The role played by early political associations in the struggle for independence in Kenya

5.2 The Legislative Council

5.2.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) name African members in the Legislative Council before 1960
- b) explain the role of Legislative Council in the struggle for independence

5.2.2 Content

5.2.2.1 African members in the Legislative Council before 1960.

5.2.2.3 The role of the Legislative Council in the struggle for independence

5.3 Struggle for Independence

5.3.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) identify the effects of the Second World War on the struggle for independence in Kenya
- b) identify political organizations in Kenya between 1945-1963
- c) name founder members of political organizations in Kenya between 1945-1963
- d) explain the role of political organizations in the struggle for independence

5.3.2 Content

5.3.2.1 Effects of the Second World War on the struggle for independence in Kenya

5.3.2.2 Political Organizations in Kenya after 1945 - 1963

- Kenya African Study Union (KASU)
- Kenya African Union (KAU)
- Mau Mau Movement
- Kenya African National Union (KANU)
- Kenya African Democratic Union (KADU)

5.3.2.3 Founder members of political organizations in Kenya between 1945 1963

5.3.2.4 The role of political organizations in the struggle for independence in Kenya

5.4 Political Developments in Kenya since 1963

5.4.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the major constitutional amendments affecting political parties in Kenya since 1963
- b) appreciate the constitutional amendments affecting political parties in Kenya since 1963

5.4.2 Content

- 5.4.2.1 Major Constitutional amendments affecting political parties in Kenya since 1963
 - Multi- party democracy
 - Single party democracy
 - Coalition Government in Kenya

5.5 Attainment of Independence

5.5.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the events that led to the attainment of independence in Kenya
- b) explain how Kenya became a Republic

5.5.2 Content

- 5.5.2.1 Events leading to attainment of independence (1960-1963)
- 5.5.2.2 Kenya becoming a Republic

5.6 Contributions of Prominent Kenyans

5.6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) describe the contributions of selected prominent leaders in Kenya
- b) appreciate the contributions of prominent leaders to the nation

5.6.2 Content

- 5.6.2.1 **Prominent Kenyan leaders**
Mzee Jomo Kenyatta
Jaramogi Oginga Odinga
Daniel Arap Moi
Wangari Maathai

5.7 International Co-operation

5.7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the reasons for the formation of the United Nations (UN)
- b) state the functions of the selected UN agencies
- c) state the reasons for the formation of the Commonwealth
- d) state the functions of the commonwealth

5.7.2 Content

- 5.7.2.1 Reasons for the formation of The United Nations (UN)
- 5.7.2.2 Functions of the selected agencies of the UN
- UNICEF
 - UNHCR
 - UNESCO
 - WHO
 - FAO
 - UNEP
 - WFP
 - World Bank
- 5.7.2.3 Reasons for the formation of the Commonwealth
- 5.7.2.4 Functions of Commonwealth

6.0 CITIZENSHIP

6.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state ways of becoming a Kenyan citizen
- b) explain conditions under which one may lose Kenyan citizenship

6.2. Content

- 6.2.1 Ways of becoming a Kenyan citizen
- 6.2.2 How one may lose Kenyan citizenship

7.0 DEMOCRACY AND HUMAN RIGHTS

7.1 Specific Objectives

By the end of this topic, the learner should be able to:

- a) state the role of political parties in a democracy
- b) state the benefits of democracy
- c) state the basic human rights as contained in the Bill of Rights
- d) state the importance of the Bill of Rights
- e) appreciate the Bill of Rights

7.2 Content

SUGGESTED TEACHING/LEARNING RESOURCES

- Resource persons
- Photographs
- Pictures
- Teachers handbook
- Local environment
- Relevant text books
- Newspaper cuttings/magazines
- Radio
- Maps
- Charts
- Models
- Libraries
- Teacher Advisory Centres
- Recorded materials
- Museum
- Historical sites
- Artefacts
- Boards
- Diagrams
- e-learning materials

SUGGESTED TEACHING/LEARNING ACTIVITIES

- Discussion
- Asking and answering questions
- Observing
- Story telling
- Role playing
- Debating
- Field visits
- Drawing
- Demonstration
- Nature walk
- Modelling
- Dramatising
- Singing
- Dancing
- Planting
- Note making/taking
- Classifying
- Counting
- Reciting
- Problem solving
- Simulation
- Measuring
- Reading
- Games

SUGGESTED EVALUATION METHODS

- Written Teacher made tests
- Projects
- Observation
- Oral questions
- Quizzes
- Assignments
- Portfolio assessment
