6. What are vertebrates

7. What are invertebrates

Classify the animals as a vertebrates or invertebrates

- | | |
|-----------------|-------|
| 8. Cow | _____ |
| 9. Snake | _____ |
| 10. Grasshopper | _____ |
| 11. Duck | _____ |
| 12. Dog | _____ |
| 13. Snail | _____ |
| 14. Antelope | _____ |
| 15. Slug | _____ |

EXERCISE 4

Draw the types of teeth below.

1. Canine

2. Incisors

3. Premolar

4. Molar

5. The _____ is a thin long tube that connects the mouth and the stomach.

Draw and labelled 5 parts the digestive system.

6. _____
7. _____
8. _____
9. _____
10. _____

EXERCISE 5**Write true or false**

1. Bad smell can cause stomach problems _____
2. It is not bad to play near a smelling toilet _____
3. Cooking with smokeless fuel _____
4. People get _____ when they drink dirt water.

We can make water safe for use by

5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

11. What is water pollution?

Draw 2 protective clothes**12.****13.**

EXERCISE 6

Crops are divide into two namely.

1. _____ crops
2. _____ crops

Give three examples of

Fruits

3. _____
4. _____
5. _____

Tubers

6. _____
7. _____
8. _____

Cereals

9. _____
10. _____
11. _____

Vegetables

12. _____
13. _____
14. _____

Legumes

15. _____
16. _____
17. _____

**EXERCISE 7****Write down how each animal reproduce**

1. Cow
2. Lizards
3. Fish
4. Human beings
5. Bat
6. Spiny ant eater

Name the young ones of the following.

Animal**Young one**

7. Lion
8. Sheep .
9. Fish
10. Goat
11. Horse
12. Dog
13. Chicken
14. Cow

EXERCISE 8**Draw and colour the following.****1. Camel****2. Bird****3. Fish****4. Butterfly****5. Cockroach****6. Snail**

EXERCISE 9

Mention ways by which animals move.

1. Kangaroo _____

2. Leopard _____

3. Eagle _____

4. Fish _____

5. Shark _____

6. The tongue helps us to _____

Name two examples of vertebrates

7. _____

8. _____

Name two examples of invertebrates

9. _____

10. _____

**EXERCISE 10****Fill in the table**

<u>Types of teeth</u>	<u>Number of roots</u>
1. Incisors	_____
2. Canines	_____
3. Premolar	_____
4. Molar	_____

5. What is the work of the teeth?

6. We use _____ and _____
to clean our teeth.

Name 4 types of teeth

7. _____

8. _____

9. _____

10. _____
