

MUSIC ACTIVITIES LESSON PLAN

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	Two			

STRAND/THEME/TOPIC: PERFORMING

SUBSTRAND/SUB-THEME/SUB-TOPIC: SONGS: Types of Songs

Specific lesson learning outcome

By the end of the lesson, the learner should be able to:-

- Identify different types of songs performed for different purposes to enhance comprehension.
- Sing a variety of age appropriate songs in unison paying attention to accuracy in pitch and rhythm for enjoyment.

KEY INQUIRY QUESTION (s)

- During which activities do you sing?
- What do the songs that you sing talk about?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Critical thinking and problem solving - Creativity and imagination - Digital literacy	- Respect - Responsibility - Unity - Love - Integrity - patriotism	- road safety awareness - coping with emotions - community service learning and parental involvement - turn taking - learner support programmes - health education - education for sustainable development - citizenship

LEARNING RESOURCES:

- Recordings of different types of songs.
- ICT devices.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 2-4.

ORGANIZATION OF LEARNING

Learners to work in groups and individually.

INTRODUCTION

Learners to sing a familiar song of their choice.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Play a recording of different types of songs for listening and guide learners to talk about the occasions when the songs are performed and the message they contain.

Step 2: Guide the learners to identify the different types of songs according to purpose/message, style of performance and occasion when they are performed.e.g lullabies, story songs, and sacred songs.

Step 3: Guide the learners to sing relevant familiar songs to illustrate the type of song and the message contained in the song. E.g. Lullaby “*u kira mwana*”.

Step 4: Learners to act out and role play the content of songs as they sing.e.g “*crossing the road*”.

SUMMARY

Summarize the lesson by learners asking questions.

CONCLUSION (Assessment of Learning)

Close the lesson through singing age appropriate songs and paying attention to pitch and rhythm.

EXTENSION OF ACTIVITIES

Learners to listen to different types of songs and identify the various types of songs.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	Two			

STRAND/THEME/TOPIC: *PERFORMING***SUBSTRAND/SUB-THEME/SUB-TOPIC: Two part Rounds**

By the end of the lesson, the learner should be able to sing a two-part round for enjoyment.

KEY INQUIRY QUESTION (s)

1. Why is singing done in groups?
2. What do you feel when you sing in a group?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
• Critical thinking and problem solving • Creativity and imagination • Digital literacy	• Respect • Responsibility • Unity • Love • Integrity • patriotism	• road safety awareness • coping with emotions • community service learning and parental involvement • turn taking • learner support programmes • health education • education for sustainable development • citizenship

LEARNING RESOURCES:

- ICT devices.
- Video recordings.
- Song scores with lyrics.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 4-6.

ORGANIZATION OF LEARNING

Group/individual work.

INTRODUCTION

Guide learners to sing a familiar song to prepare them for singing lesson.

LESSON DEVELOPMENT (Assessment as learning)**Step 1: Guide the learners to sing a two- part round e.g. “Mama Mbe Tsimbindi” following the steps below***Sing the song in unison as a whole class**Group the class into two**Each group to sing in unison to ascertain that they know the song well**Conduct the round, where one group starts the song and the other one begins to sing after the first phrase***Step 2:** Discuss with the learners the need to practice regularly and keeping time for rehearsals.

Step 3: Guide the learners to sing a second song e.g. “We come from many places” as a round

SUMMARY:

Summarize the lesson by asking learners to sing a 2-part rounds drawn from the local culture.

CONCLUSION (Assessment of Learning)

Learners to listen to melodic flow of rounds so as to learn to sing the round song by imitation.

EXTENSION OF ACTIVITIES

Learners to sing round in two parts in well-coordinated groups.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	Two			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Kenya National Anthem**

By the end of the lesson, the learner should be able to sing verse 1 and 2 of the Kenya National Anthem in Kiswahili and English with proper etiquette to enhance patriotism, cohesion and peaceful co-existence.

KEY INQUIRY QUESTION (s)

1. When is Kenya national anthem performed?
2. What do we learn in verse 1 of the Kenya national anthem?
3. What do we learn in verse 2 of the Kenya national anthem?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
• Critical thinking and problem solving • Creativity and imagination • Digital literacy	• Respect • Responsibility • Unity • Love • Integrity • patriotism	• road safety awareness • coping with emotions • community service learning and parental involvement • turn taking • learner support programmes • health education • education for sustainable development • citizenship

LEARNING RESOURCES:

- Music score and words of them
- Pictures of some occasions when the anthem is performed
- ICT devices and recordings of the anthem
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 6-9

ORGANIZATION OF LEARNING

Group/individual work

INTRODUCTION

Guide the learners to sing a familiar song for warm up.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Conduct a discussion on the meaning of the words of the national anthem in relation to patriotism, cohesion and peaceful co-existence in 2nd verse

Step 2: Guide the learners to recite the words of the 2nd verse in English and or Kiswahili

Step 3: Teach the 2nd verse phrase by phrase and guide the learners to sing verse two as a whole.

Step 4: Guide the learners to sing verse one and two in English and o Kiswahili while following etiquette by standing at attention, removing unofficial caps and showing respect for the country.

SUMMARY

Summarize the lesson by asking the learners to sing the national anthem in groups.

CONCLUSION (Assessment of Learning)

Guide the learners to sing verse 2 o the anthem in both Kiswahili and English

EXTENSION OF ACTIVITIES

Learners to listen to melody and text of Kenya national anthem and to imitate by singing.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	Two			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Elements of music and vocal techniques**

By the end of the lesson, the learner should be able to:-

- Sing different songs while observing the elements of music as a basis of musicianship.
- Use different vocal techniques while singing for effective communication.

KEY INQUIRY QUESTION (s)

- What elements of music would you apply in singing?
- What vocal techniques would you use for effective communication?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Critical thinking and problem solving - Creativity and imagination - Digital literacy	- Respect - Responsibility - Unity - Love - Integrity - patriotism	- road safety awareness - coping with emotions - community service learning and parental involvement - turn taking - learner support programmes - health education - education for sustainable development - citizenship

LEARNING RESOURCES:

- Music scores and lyrics.
- ICT devices.
- Recorded music.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 9-10.

ORGANIZATION OF LEARNING

Learners to work in groups and individually.

INTRODUCTION

Guide the learners to sing a familiar song.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners to identify the basic elements of music to be effected in singing; pitch, tempo, dynamics and rhythm.

Step 2: Guide them to sing familiar songs, talk about where the elements can be applied and with what effect.

Step 3: Learners to sing the songs in pairs, in groups and as a class applying the elements e.g. *Miti yayumbayumba*

Step 4: Use the same song or other suitable songs to guide learners to identify vocal techniques to be used in singing for effective communication.

SUMMARY:

Summarize the lesson by asking learners to name other techniques used in singing for effective communication.

CONCLUSION (Assessment of Learning)

Use suitable songs for learners to develop vocal techniques.

EXTENSION OF ACTIVITIES

Learners to listen and to identify and to apply various elements of music and vocal techniques while singing either at school or at home.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	TWO			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC:** Expression of ideas, feelings and emotions through singing

By the end of the lesson, the learner should be able to:-

- Express ideas, feelings and emotions through singing for self-expression and effective communication.
- Sing familiar songs with body movements for self-expression.

KEY INQUIRY QUESTION (s)

- What songs do you like to sing?
- What do you learn from the song?
- What do you feel when you sing them?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Critical thinking and problem solving - Creativity and imagination - Digital literacy	- Respect - Responsibility - Unity - Love - Integrity - patriotism	- road safety awareness - coping with emotions - community service learning and parental involvement - turn taking - learner support programmes - health education - education for sustainable development - citizenship

LEARNING RESOURCES:

- ICT equipment.
- Music scores.
- Song book.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 11-13.

ORGANIZATION OF LEARNING

Learners will work in groups and individually.

INTRODUCTION

Guide the learners to sing familiar songs to draw the attention to the messages in the songs.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Play a recording of selected presentations for learners to listen to or watch and guide learners to identify the expressions of ideas, feelings and emotions.

Step 2: Guide them to know how expression of ideas, feelings and emotions are actualized through understanding the meaning of words, use of facial expressions, gestures and body movements.

Step 3: Guide them to sing short familiar songs, expressing ideas, feelings and emotions.

Step 4: Guide the learners to identify vocal techniques e.g. positioning of the mouth, body posture, breathing technique and tone colour.e.g singing of “we should be clean”

SUMMARY:

Summarize the lesson by guiding the learners to sing the song “**We should be clean**”

CONCLUSION (Assessment of Learning)

Guide the learners to sing other familiar songs with facial expressions, gestures and body movements

EXTENSION OF ACTIVITIES

The learner to listen and respond by singing songs at home and school while observing expression of ideas, feelings and emotions.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	TWO			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Solo and Choral performances**

By the end of the lesson, the learner should be able to perform familiar songs individually and as a solo performance or in a choral group for communication and enjoyment.

KEY INQUIRY QUESTION (s)

1. Which songs would you enjoy singing alone?
2. Which song do you enjoy singing with others in a group?
3. Why do you sing in a group?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
• Critical thinking and problem solving • Creativity and imagination • Digital literacy	• Respect • Responsibility • Unity • Love • Integrity • patriotism	• road safety awareness • coping with emotions • community service learning and parental involvement • turn taking • learner support programmes • health education • education for sustainable development • citizenship

LEARNING RESOURCES:

- Song book
- ICT devices
- Relevant music scores and lyrics
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 13-14

ORGANIZATION OF LEARNING

Learners to work in groups.

INTRODUCTION

Learners to sing a familiar song for warm up.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners to identify the musical elements and vocal techniques and apply them as they perform the songs

Step 2: Guide the learners to sing solo presentations and discuss with them the presentations.

Step 3: Guide them to make choral presentations and discuss the performances and the need to practice regularly.

SUMMARY

Guide the learners on the importance of keeping time for rehearsal and striving to achieve targets, for them to grow and become responsible performers.

CONCLUSION (Assessment of Learning)

Learners to sing any solo or choral song.

EXTENSION OF ACTIVITIES

Learners to listen to live or recorded presentations and appreciate singing styles.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	TWO			

SUBSTRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Songs from diverse cultures**

By the end of the lesson, the learner should be able to appreciate and enjoy singing songs from diverse cultures.

KEY INQUIRY QUESTION (s)

1. What do you like about songs sung in your language?
2. What do you like about song sung in other languages?
3. Why should we sing song in other languages?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
• Critical thinking and problem solving • Creativity and imagination • Digital literacy	• Respect • Responsibility • Unity • Love • Integrity • patriotism	• road safety awareness • coping with emotions • community service learning and parental involvement • turn taking • learner support programmes • health education • education for sustainable development • citizenship

LEARNING RESOURCES:

- Recorded songs performance on ICT devices.
- ICT devices.
- Song books.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 14-15.

ORGANIZATION OF LEARNING

Learners will work in groups or individually.

INTRODUCTION

Ask the learners to sing a familiar song for warm up.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners to appreciate and understand the messages in the songs from different cultures and that they are similar in quality of melodies and in message.

Step 2: Play recorded songs from diverse cultural background for the learners to listen to and to talk about the valuable aspects of the cultural messages.

Step 3: Guide the learner to sing some of the songs listened to and others sung in class e.g. lullabies.

Step 4: Organize learners to sing the songs in pairs, small groups and then as the whole class.

SUMMARY:

Summarize the lesson by holding a discussion on the importance of preserving the original form of cultural songs.

CONCLUSION (Assessment of Learning)

Learners to sing songs from other cultures that they are familiar with.

EXTENSION OF ACTIVITIES

Learners to listen to different types of songs and the occasions when the songs are performed.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	TWO			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Singing Games**

By the end of the lesson, the learner should be able to:-

- Perform various singing games from the local culture for enjoyment.
- Perform various singing games from other cultures for enjoyment.

KEY INQUIRY QUESTION (s)

- Which songs do children like singing?
- Which songs do children sing while playing?
- What do children imitate while singing such songs?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Critical thinking and problem solving - Creativity and imagination - Digital literacy - Communication and collaboration - Learning to learn - Self-efficacy	- Respect - Responsibility - Unity - Love - Integrity - patriotism	- life skills - education for sustainable development - citizenship

LEARNING RESOURCES:

- ICT devices.
- Audio/visual materials.
- Costumes.
- Singing games song book.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 19-22.

ORGANIZATION OF LEARNING

Individual or group work.

INTRODUCTION

Learners to sing a familiar song for warm up.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners in watching live and recorded singing games from the local culture and other cultures.

Step 2: Guide the learners to perform singing games from the locality individually and in groups.

Step 3: Guide the learners to perform singing games from other cultures individually and in groups.

Step 4: Guide the learners to identify values and pertinent issues addressed in the singing games.

SUMMARY

Summarize the lesson by asking learners questions.

CONCLUSION (Assessment of Learning)

Learners to record singing games using simple recording devices such as smartphones

EXTENSION OF ACTIVITIES

Assign the learners a project of performing a singing game and be recorded by the parent or guardian.

REFLECTION ON THE LESSON/SELF-REMARKS

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	TWO			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Aspects of singing games**

By the end of the lesson, the learner should be able to perform singing games from local and other cultures with appropriate application of aspects of:-

- Singing for enjoyment.
- Movement for enjoyment.
- Props for enjoyment, and.
- Costumes for enjoyment.

KEY INQUIRY QUESTION (s)

- How do you tell a good singer?
- How do you tell a good dancer?
- How are performers of singing games dressed?
- What materials or things are used while performing singing games?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Critical thinking and problem solving - Creativity and imagination - Digital literacy - Communication and collaboration - Learning to learn - Self-efficacy	- Respect - Responsibility - Unity - Love - Integrity - patriotism	- life skills - education for sustainable development - citizenship

LEARNING RESOURCES:

- ICT devices.
- Audio-visual devices
- Costumes.
- Relevant props.
- Singing game book.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 22-28.

ORGANIZATION OF LEARNING

Individual and group work.

INTRODUCTION

Learners to sing and dance to a familiar song .

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners to identify the following aspects of singing: Rhythm, pitch, Diction, Soloist, Breath control, Tonality.

Step 2: Guide the learners to identify the following aspects of movement. Dancing in rhythm, making patterns, being agile, and coordination of movement, choreography and patterns, good use of space.

Step 3: Guide the learners to identify different props in different singing games such as ropes, dolls, stones etc.

Step 4: Learners to appreciate the role of costumes by identifying costumes used by different performers locally and from other cultures.

SUMMARY:

Learners to apply the aspects learnt while performing different appropriate singing games from their local and other cultures e.g. *“Mwana Mukhana”*

CONCLUSION (Assessment of Learning)

Learners to singing familiar songs accompanied by the learnt aspects.

EXTENSION OF ACTIVITIES

Learners to performance various singing games in assistance with their friends.

REFLECTION ON THE LESSON/SELF-REMARKS

	TWO			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Safety precautions in singing games**

By the end of the lesson, the learner should be able to take precautions during performance of singing games:-

- From local cultures for own safety.
- From other cultures for others, safety.

KEY INQUIRY QUESTION (s)

- What injuries do children get while playing?
- What injuries can a child get while performing singing games?
- What should children do to avoid injuries while performing singing games?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Critical thinking and problem solving - Creativity and imagination - Digital literacy - Communication and collaboration - Learning to learn - Self-efficacy	- Respect - Responsibility - Unity - Love - Integrity - patriotism	- life skills - education for sustainable development - citizenship

LEARNING RESOURCES:

- ICT devices.
- Audio-visual devices.
- Costumes.
- Improvised props.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 28-31.

ORGANIZATION OF LEARNING

Individual and group work.

INTRODUCTION

Learners to sing familiar song from the local or other cultures.

LESSON DEVELOPMENT (Assessment as learning)**Step 1:** Guide the learners to identify the causes of injuries among others. E.g. accidents, falling.**Step 2:** Guide the learners to identify the injuries children get while playing e.g. fractures, bruises and cuts.**Step 3:** Guide the learners in discussing safety precautions.**Step 4:** Learners to observe video performances as they appreciate safety in singing games.**SUMMARY:**

Let learners perform appropriate singing games from other cultures while observing safety precautions.

CONCLUSION (Assessment of Learning)

Ask learners questions on the safety precautions to be observed in singing and performing.

EXTENSION OF ACTIVITIES

Provide further opportunities of practice for learners to perfect their skills.

REFLECTION ON THE LESSON/SELF-REMARKS

	TWO			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Etiquette in singing games**

By the end of the lesson, the learner should be able to:-

- Perform singing game following games etiquette for own and other's respect.
- Share available resources during performance of singing games for equity and integrity.

KEY INQUIRY QUESTION (s)

- How do people respect one another?
- When do you become unhappy with yourself and friends while performing a sing game?
- What play things/apparatus are shared while performing a singing game?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Critical thinking and problem solving - Creativity and imagination - Digital literacy - Communication and collaboration - Learning to learn - Self-efficacy	- Respect - Responsibility - Unity - Love - Integrity - patriotism	- life skills - education for sustainable development - citizenship

LEARNING RESOURCES:

- Recorded videos.
- Relevant props e.g. ropes, tins.
- Costumes.
- Improvised props.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 31-34.

ORGANIZATION OF LEARNING

Individual and group work.

INTRODUCTION

Learners to sing and dance to a familiar song for warm up.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners through the inquiry questions to show how performers show respect to each other as you acknowledge such responses.

Step 2: Guide the learners to identify the play apparatus commonly used in singing games such as ropes, bin bags, sticks, toys, shakers and costumes.

Step 3: Guide the learners to discuss the importance of sharing equipment while performing singing games.

SUMMARY:

Ask the learner questions on the observance of etiquette in singing games.

CONCLUSION (Assessment of Learning)

Learners to sing a familiar while observing etiquette.

EXTENSION OF ACTIVITIES

Learners to practice at home and in school as they are observed by parents and friends.

REFLECTION ON THE LESSON/SELF-REMARKS

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Singing games from diverse cultures**

By the end of the lesson, the learner should be able to:-

- Appreciate singing games from diverse cultures.
- Perform various singing games from the diverse cultures for enjoyment

KEY INQUIRY QUESTION (s)

- What role do you like taking during play?
- What do you like in the performance of singing games from other areas?
- What do you learn from the performance of singing games from other areas?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Critical thinking and problem solving - Creativity and imagination - Digital literacy - Communication and collaboration - Learning to learn - Self-efficacy	- Respect - Responsibility - Unity - Love - Integrity - patriotism	- life skills - education for sustainable development - citizenship

LEARNING RESOURCES:

- ICT devices.
- Relevant items in the environment.
- Props.
- Costumes.
- Singing game book.
- Worksheets.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 34-37.

ORGANIZATION OF LEARNING

Individual and group work.

INTRODUCTION

Learners to sing and dance a familiar song for vocal exercise and physical warm up.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Manipulate simple electronic equipment as they watch and listen to singing games from diverse cultures.

Step 2: Learners to work in groups and individually to collect props and costumes.

Step 3: Learners to perform singing games from diverse cultures as a whole, in groups and individually

SUMMARY

Involve learners in recording the performances with their tablets.

CONCLUSION (Assessment of Learning)

Ask learners questions on various singing games from diverse cultures.

EXTENSION OF ACTIVITIES

Involve learners in recording performances at home and performing before their parents.

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Musical instruments: Wind instruments**

By the end of the lesson, the learner should be able to:-

- Name wind instruments used in music making for familiarization.
- Identify different wind instruments used to accompany song and dance for familiarization.

KEY INQUIRY QUESTION (s)

- Which instruments are played while singing or dancing?
- How are the instruments played?
- Which instruments are played by blowing?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Creativity and imagination - Digital literacy - Communication and collaboration - Learning to learn - Self-efficacy	- Respect - Responsibility - Unity - Social justice	- life skills - education for sustainable development - health - financial literacy

LEARNING RESOURCES:

- Wind instruments from the locality.
- Wind instruments from other cultures.
- Pictures of wind instruments.
- Appropriate recorded sounds of different wind instruments.
- ICT devices.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 41-42.

ORGANIZATION OF LEARNING

Individual and group work.

INTRODUCTION

Introduce wind instruments as those played by blowing by displaying charts.

LESSON DEVELOPMENT (Assessment as learning)**Step 1:** Guide the learners to identify the difference from one instrument to the other.**Step 2:** Guide the learners in naming the wind instruments identified.**Step 3:** Guide learners on how to draw, sketch, join dots or match the instruments with the corresponding instrument.**SUMMARY**

Ask learners questions about names of wind instruments they know.

CONCLUSION (Assessment of Learning)

Learners to listen and identify wind instruments sounded live or recorded

EXTENSION OF ACTIVITIES

Learner to practice and improvise wind instruments to produce sound at home.

REFLECTION ON THE LESSON/SELF-REMARKS

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Playing of wind instruments**

By the end of the lesson, the learner should be able to:-

- Demonstrate the skills of playing a wind instrument for skill development.
- Observe safety and care of the instruments for maintenance and storage.

KEY INQUIRY QUESTION (s)

- How are wind instruments played?
- How are wind instruments held while playing?
- Which parts of your body can you use while playing a wind instrument?
- How important are these parts of the body in playing of wind instruments?
- What should be done to keep wind instruments safe?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Creativity and imagination - Digital literacy - Communication and collaboration - Learning to learn - Self-efficacy	- Respect - Responsibility - Unity - Social justice	- life skills - education for sustainable development - health - financial literacy

LEARNING RESOURCES:

- Recorded videos.
- Relevant props e.g. ropes, tins.
- Costumes.
- Improvised props.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 42-45.

ORGANIZATION OF LEARNING

Group work and individual.

INTRODUCTION

Do warm up activities for breath control and fingering.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners through the playing skills that include holding, placement of the lips, fingering and breath control.

Step 2: Guide learners to play instruments as they observe appropriate skills.

Step 3: Learners to play in groups, in pairs and individually as they make observations about the skills displayed.

Step 4: Guide the learners on safety on storage of the instruments.

Step 5: Guide the learners on the appropriate ICT device to be used for further learning.

SUMMARY

Ask the learners to name some of the wind instruments they know.

CONCLUSION (Assessment of Learning)

Learners to listen and identify wind instruments sounded live or recorded.

EXTENSION OF ACTIVITIES

Learners to visit cultural centers to help them improve their skills by interacting with specialists.

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Improvising wind instruments**

By the end of the lesson, the learner should be able to:-

- Improvise accompaniments to songs and dances using improvised wind instruments for enjoyment.
- Observe own and others; safety in improvising and playing wind instruments?
- Appreciate own improvised musical instruments and accompaniments and those of others.

KEY INQUIRY QUESTION (s)

- What materials are used to make wind instruments?
- How are improvised wind instruments made?
- What should be done to keep wind instruments safe?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Creativity and imagination - Digital literacy - Communication and collaboration - Learning to learn - Self-efficacy	- Respect - Responsibility - Unity - Social justice	- life skills - education for sustainable development - health - financial literacy

LEARNING RESOURCES:

- Pictures of wind instruments.
- Appropriate reusable materials found within the environment such as pipes and straws.
- Reeds.
- Cutting tools.
- Bottles.
- Water.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 45-47.

ORGANIZATION OF LEARNING

Group work and individual.

INTRODUCTION

Play the improvise wind instruments to accompany familiar songs.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners to collect and use locally available materials to come up with simple wind instruments.

Step 2: Learners to work in groups in collecting and gathering the materials.

Step 3: Learners to observe hygienic standards while handling re-usable materials.

SUMMARY

Observe which materials the learners will use to improvise wind instruments

CONCLUSION (Assessment of Learning)

Learners to listen and identify wind instruments sounded live or recorded

EXTENSION OF ACTIVITIES

Learners to visit cultural centers to help them improve their skills by interacting with specialists.

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Playing virtual instruments**

By the end of the lesson, the learner should be able to:-

- Play virtual musical instruments to enhance playing skills.
- Play virtual musical instruments for digital literacy.

KEY INQUIRY QUESTION (s)

- What are musical instruments used for?
- Why do we play instruments on computer?
- How do you lay the instruments on computer or phone?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Creativity and imagination - Digital literacy - Communication and collaboration - Learning to learn - Self-efficacy	- Respect - Responsibility - Unity - Social justice	- life skills - education for sustainable development - health - financial literacy

LEARNING RESOURCES:

- Video and audio recordings of musical instruments covered.
- ICT devices.
- Pictures of instruments.
- ICT devices installed with relevant virtual programmes for musical instruments.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 47-48.

ORGANIZATION OF LEARNING

Group work and individual.

INTRODUCTION

Learners to watch video clips of musical performances with instruments.

LESSON DEVELOPMENT (Assessment as learning)**Step 1:** Guide the learners to play real instruments.**Step 2:** Guide the learners on playing the virtual instruments. Software should be learner friendly.**Step 3:** Give learners an opportunity to learn from each other and appreciate each other's work and let them pay attention to how the instruments look like, how they are played and the unique sound they produce.**SUMMARY:**

Summarize the lesson by asking the learners questions on which virtual instruments they can download from the internet.

CONCLUSION (Assessment of Learning)

Learners to play selected virtual instruments to perfect skills.

EXTENSION OF ACTIVITIES

Learners to play virtual instruments at home and in school by listening and imitation.

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Dance: Body movements (waving, greetings, digging, sweeping)**

By the end of the lesson, the learner should be able to:-

- Use body movements that are part of daily experience in a variety of ways in dance for enjoyment for dance.
- Use dance to express feelings, emotions and ideas for self-expression.

KEY INQUIRY QUESTION (s)

- What are some of the body movements you make in your daily life?
- Which of the body movements can you use in a dance?
- Which parts of the body do you use when dancing?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Communication and collaboration - Creativity and imagination - Digital literacy - Learning to learn - Self-efficacy - Critical thinking - citizenship	- Respect - Responsibility - integrity - love - patriotism - unity	<u>environmental awareness</u> <u>animal awareness</u> <u>safety</u> <u>health education</u> <u>financial literacy</u> <u>citizenship</u>

LEARNING RESOURCES:

- ICT devices.
- Relevant songs.
- Recordings of dances.
- Resource persons.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 52-54.

ORGANIZATION OF LEARNING

Group work and individual.

INTRODUCTION

Learners to sing a song accompanied by body movements.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners to watch live or recorded dances in order to observe various body part movements used.

Step 2: Guide the learners in identifying movements of body parts that are involved in a dance.

Step 3: Discuss with the learners the need to use body movements that enhance respect and moral values.

Step 4: Learners to pair or group and prepare own dances for presentation in class. Guide the learners in adjudicating group presentations using adjudicator sheets in their work sheets.

SUMMARY

Summarize the lesson by asking learners questions on day to day movements they make.

CONCLUSION (Assessment of Learning)

Conclude the lesson by learners singing any song of choice accompanied by body movements.

EXTENSION OF ACTIVITIES

Learners to practice both at school and at home.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	TWO			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Dance: Body movements (Locomotor and non-Locomotor)**

By the end of the lesson, the learner should be able to:-

- Apply Locomotor and non-Locomotor/axial movements creatively in own dance for enjoyment.
- Observe own and others' safety during dance performance.
- Practice etiquette during dance performance for integrity.

KEY INQUIRY QUESTION (s)

- Which parts of the body are used when dancing?
- How do you feel when you dance as you make moves?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
- Communication and collaboration - Creativity and imagination - Digital literacy - Learning to learn - Self-efficacy - Critical thinking - citizenship	- Respect - Responsibility - integrity - love - patriotism - unity	<u>environmental awareness</u> <u>animal awareness</u> <u>safety</u> <u>health education</u> <u>financial literacy</u> <u>citizenship</u>

LEARNING RESOURCES:

- ICT devices.
- Musical instruments
- Resource persons.
- Recorded dances.
- Costumes.
- Relevant songs.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 54-55.

ORGANIZATION OF LEARNING

Group and individual work.

INTRODUCTION

Learners to sing familiar dance songs for warm up.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners in watching live or recorded dances which shows the various movements of body parts.

Step 2: Assist the learners to plan the formation of dance and to combine singing, dance styles and making formations as they dance

Step 3: Learners to pair and group to perform their own dances.

Step 4: Discuss with the learners the need to use body movements to enhance respect and moral values.

SUMMARY

Summarize the lesson by asking questions.

CONCLUSION (Assessment of Learning)

Give an assignment.

EXTENSION OF ACTIVITIES

Learners to present best dances during school function or community cultural festival.

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	TWO			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Dance performance**

By the end of the lesson, the learner should be able to observe basic elements of dance during performance.

KEY INQUIRY QUESTION (s)

1. Which parts of the body are used when dancing?
2. What is the importance of spacing while dancing?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
• Communication and collaboration • Creativity and imagination • Digital literacy • Learning to learn • Self-efficacy • Critical thinking • citizenship	• Respect • Responsibility • integrity • love • patriotism • unity	• <u>environmental awareness</u> • <u>animal awareness</u> • <u>safety</u> • <u>health education</u> • <u>financial literacy</u> • <u>citizenship</u>

LEARNING RESOURCES:

- ICT devices.
- Instrumental/song accompaniment
- Recorded video clips.
- Costumes.
- Resource person.
- Work sheets.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 55-57.

ORGANIZATION OF LEARNING

Group work or individual.

INTRODUCTION

Learners to do warm-up activities like stretching legs, arms, neck and toes.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners in performing familiar dances.

Step 2: Learners to identify the basic elements of dance e.g. space, time, energy, and relationship during performance.

Step 3: Guide the learners in presenting a familiar dance as they observe the basic elements of dance.

Step 4: Learners to prepare group dances for a presentation in class.

SUMMARY

Make summary by asking questions on dance performance.

CONCLUSION (Assessment of Learning)

Learners to adjudicate class dance presentation using adjudication sheets in their work sheets.

EXTENSION OF ACTIVITIES

Learners to identify one dance that is to be performed in a school function.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	TWO			

STRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Traditional dances**

By the end of the lesson, the learner should be able to perform appropriate traditional dances from their locality for social cohesion and enjoyment.

KEY INQUIRY QUESTION (s)

- 1) Which are some of the dances performed in other localities?
- 2) What do you like most about the dances?
- 3) How do you like the use of the instruments and costumes used?
- 4) What is different when you compare dances in your locality and those from other localities?

CORE COMPETENCIES	VALUES	PERTINENT CONTEMPORARY ISSUES (PCIs)
• Communication and collaboration • Creativity and imagination • Digital literacy • Learning to learn • Self-efficacy • Critical thinking • citizenship	• Respect • Responsibility • integrity • love • patriotism • unity	• <u>environmental awareness</u> • <u>animal awareness</u> • <u>safety</u> • <u>health education</u> • <u>financial literacy</u> • <u>citizenship</u>

LEARNING RESOURCES:

- ICT devices.
- Instrumental/song accompaniment.
- Recorded video clips.
- Costumes.
- Resource person.
- Adjudication sheets.
- KLB Visionary Music Activities Grade 2 Teachers guide pg. 57-58.

ORGANIZATION OF LEARNING

Group work/individual.

INTRODUCTION

Learners to do warm up activities such as stretching various parts of the body by jogging, breathing and vocal exercise.

LESSON DEVELOPMENT (Assessment as learning)

Step 1: Guide the learners in performing dances as they observe the basic elements of dance as well as use of accompaniments and costumes.

Step 2: Learners to prepare for group dances for presentation in class, while others adjudicate.

Step 3: Discuss and guide learners to collect and perform Kenyan dances as a way of enhancing patriotism.

SUMMARY:

Summarize the lesson by asking questions on traditional dances to see what learners know about them.

CONCLUSION (Assessment of Learning)

Learners to sing a traditional dance of their choice with accompaniments and costumes.

EXTENSION OF ACTIVITIES

Learners to identify dances to be performed during a school function.

REFLECTION ON THE LESSON/SELF-REMARKS

Week: _____

Lesson: _____

SCHOOL	GRADE	DATE	TIME	ROLL
	TWO			

SUBSTRAND/THEME/TOPIC: PERFORMING**SUBSTRAND/SUB-THEME/SUB-TOPIC: Traditional dances (from diverse cultures)**

By the end of the lesson, the learner should be able to:-

- Appreciate and enjoy performing traditional dances from diverse cultures for social cohesion and preservation of culture.
- Use digital devices for learning, taking pictures, recording videos of traditional dances for presentation and enjoyment.

KEY INQUIRY QUESTION (s)

- Which are some of the dances performed in other localities?
- What do you like most about dances?
- How do you like the use of the instruments and costumes?
- What is the difference between dances in your locality and those from other localities
