

THE KENYA NATIONAL EXAMINATIONS COUNCIL
SCHOOL BASED ASSESSMENT
Physical and Health Education
Grade 6 – 2022 (Regular)

SECTION B: PERFORMANCE TASKS (15 marks)

INSTRUCTIONS TO THE TEACHER

1. This section of grade 6 PHE SBA consists of performance-based assessment tasks (Task 2 and Task 3). Section A (Task 1-Written task) will be uploaded and administered later as per the circular to schools on the administration of 2022 SBA.
2. Performance based assessment tasks have been uploaded in advance to minimize pressure of time and enable teachers assess learners effectively.
3. The assessment tasks are to be undertaken by **all** learners in Grade 6
4. Section B consists of two **performance assessment tasks** (Task 2 and Task 3)
 - i. Task 2: Performance task: Two handed catch (8 marks)
 - ii. Task 3: Performance task: Rope Work- Partner Rope work (7 marks)
5. Each learner should be scored individually as they perform the tasks
6. Use the checklists provided to assess each learner
7. Scoring guides provided shall be used to rate the learner's performance
8. Learners with disabilities should be assessed using the adapted assessment tools provided. Teachers **may modify the adaptations suggested** based on individual learner's needs but should not compromise the assessment of the outcome targeted.
9. Teachers at the school should collaborate where necessary to ensure successful administration and conduct of the assessment.
10. The teacher to:
 - a. familiarize with the tool before administration.
 - b. use the appropriate mode of communication when instructing the learner.
 - c. guide and support the learner accordingly in the performance of all tasks.
 - d. ensure that the assessment is done within the prescribed period.
 - e. organize for advance provision of materials required for the assessment.
 - f. use improvised or available materials where necessary.
 - g. always ensure the safety of each learner during the assessment.
 - h. share and discuss the assessment instructions with the learners to know what is expected of them.
 - i. maintain evidence of each learner's performance in ALL the tasks for reference and quality assurance.

SECTION B: PERFORMANCE TASKS (15 marks)

Task 2: Two-handed catch in Handball (8 marks)

Instructions to the teacher

The teacher to:

- i. Identify safe space for the performance of tasks.
- ii. provide an appropriate ball(s)/improvised ball(s)/adapted ball(s) where necessary
- iii. Organize learners in pairs or in groups of 5-10 members.
- iv. Mark a point on the ground showing where learners will be receiving the ball from.
- v. Instruct learners to stand in a linear formation(s) behind each other or in a semi-circle. If learners are in pairs, they could stand approximately 3 to 5 metres apart facing each other.
- vi. Instruct one learner/the thrower/feeder/teacher to stand approximately 3 to 5 metres with the ball and face the team members.
- vii. Instruct the learner with the ball/ the thrower/feeder/teacher to throw it to the first learner on the line. The first learner to make a **two-handed catch** and return the ball to the feeder/ the thrower.
- viii. Give each learner a maximum of three chances to make a **two-handed catch**
- ix. Assess each learner's competency in performing a **two-handed catch** using the checklist provided

Checklist for Assessing Learner's competency in performing the two-handed catch in Handball

Skills to be assessed			Descriptor	Marks
1	Ready position	Stance	Legs slightly apart	1
		Position of the hands	Hands in front of the body at the chest level, fingers spread forming a 'W' shape	1
		Eye focus	Eye should focus on the ball	1
2	Execution (catching)	Hands movement	Stretch both arms towards the oncoming ball	1
		Leg movement	Step forward with one leg as hands are being outstretched	1
		Catch	Receive the ball on the palm and hold it firmly with fingers forming a "W" shape	1
3	Recovery	Hands/Legs movement	Draw the arms close to the chest to cushion the ball as you step back with the leading foot	1
4	Core competency	Self-efficacy	Self-confidence, self-esteem, readiness to perform, self-appreciation	1
Total Marks				08

Task 3: Rope Work: Partner Work (7 Marks)

Instructions to the teacher

The teacher to:

- i. Ensure safety of all learners.
- ii. Arrange for the availability of adequate safe space.
- iii. Guide the learners to pair up appropriately.
- iv. Guide the pairs to perform rope skipping while facing one another.
- v. Use the checklist provided to assess the learner's competency in performing partner work in rope work
- vi. Instruct the rope turner to exchange with the partner at appropriate time so that each will get a chance to be assessed in all the aspects.
- vii. Use the scoring guide provided to rate the learner's performance
- viii.

Checklist to assess the learner's competency in rope work partner work

Skills to be assessed			Descriptor	Marks
1	Ready position	Stance	Partners facing one another at arm's length distance	1
		Position of the feet	Feet comfortably apart and flat on the ground	1
		Rope grip	The rope turner holds the rope tightly with both hands at the waist height behind the body	1
2	Execution	The start	The rope turner to give clear communication before turning the rope "Ready, Go"	1
		Coordination	Jumping the rope in unison, establishing a rhythm	1
		Sustained activity	Jump continuously 10 times while the turner maintains a steady rope turning tempo.	1
3	Core value	Unity	Turn taking, respecting each other, appreciating others' efforts, sharing resources, accepting the roles assigned	1
