AGE BASED PATHWAY**

What is a Competency?

What is meant by Competency Based Curriculum (CBC)?

What is Competency Based Assessment (CBA)?

What is the linkage between CBC and CBA?

What are the major shifts from Objective-based Assessment to Competency-based Assessment?

What are Core Competencies and Core Values?

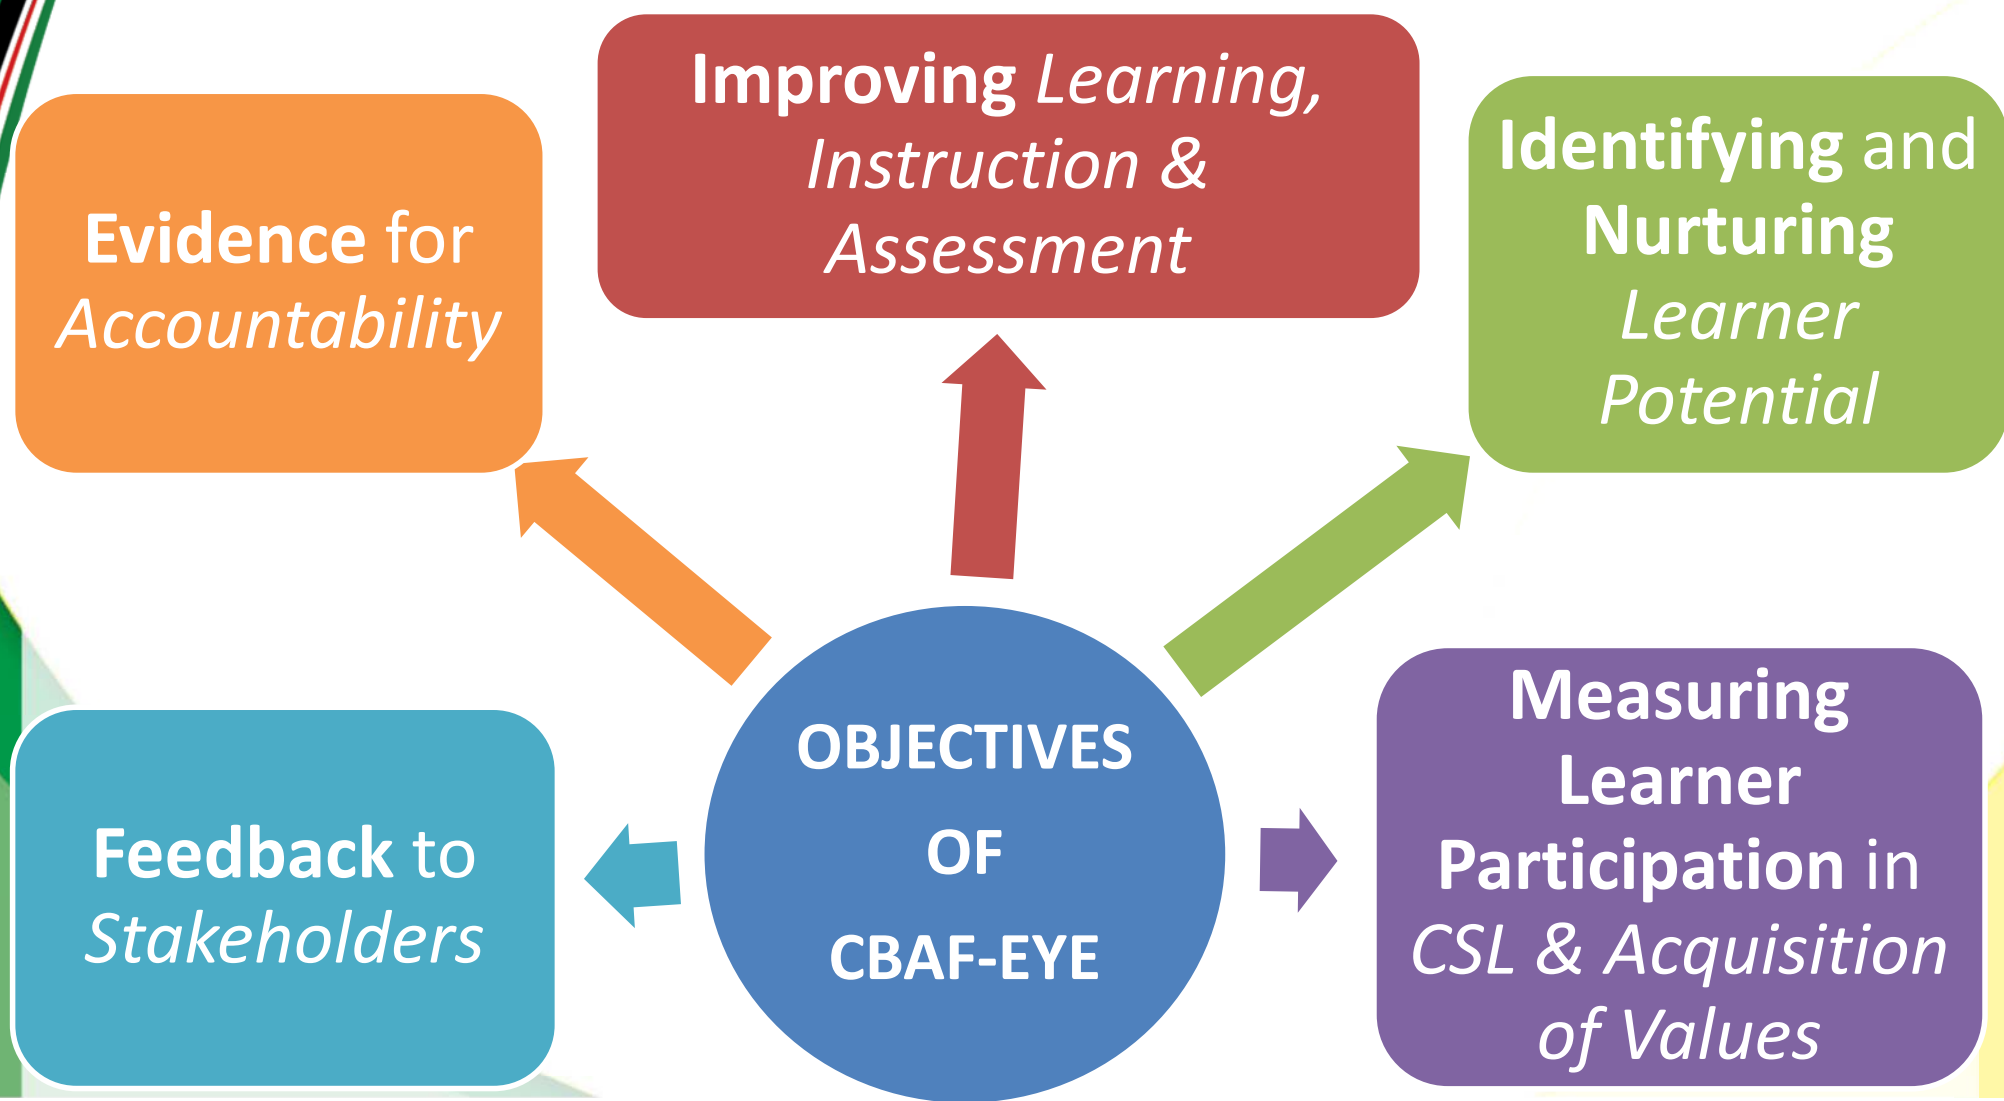

Competency Based Assessment

Competency- is the ability to apply appropriate knowledge, skills and attitudes to successfully perform a task

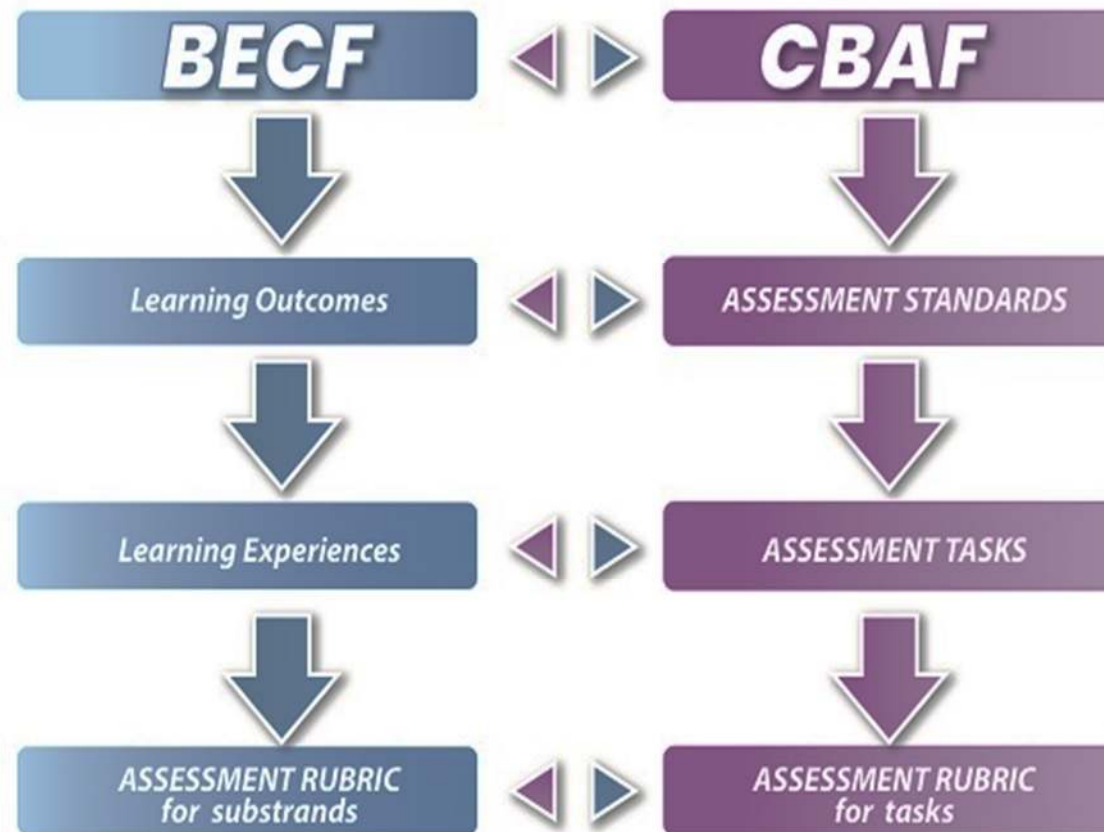

Competency Based Assessment-

Process of determining the capability of a learner to apply a set of knowledge, skills, values and attitudes to successfully perform real life tasks.

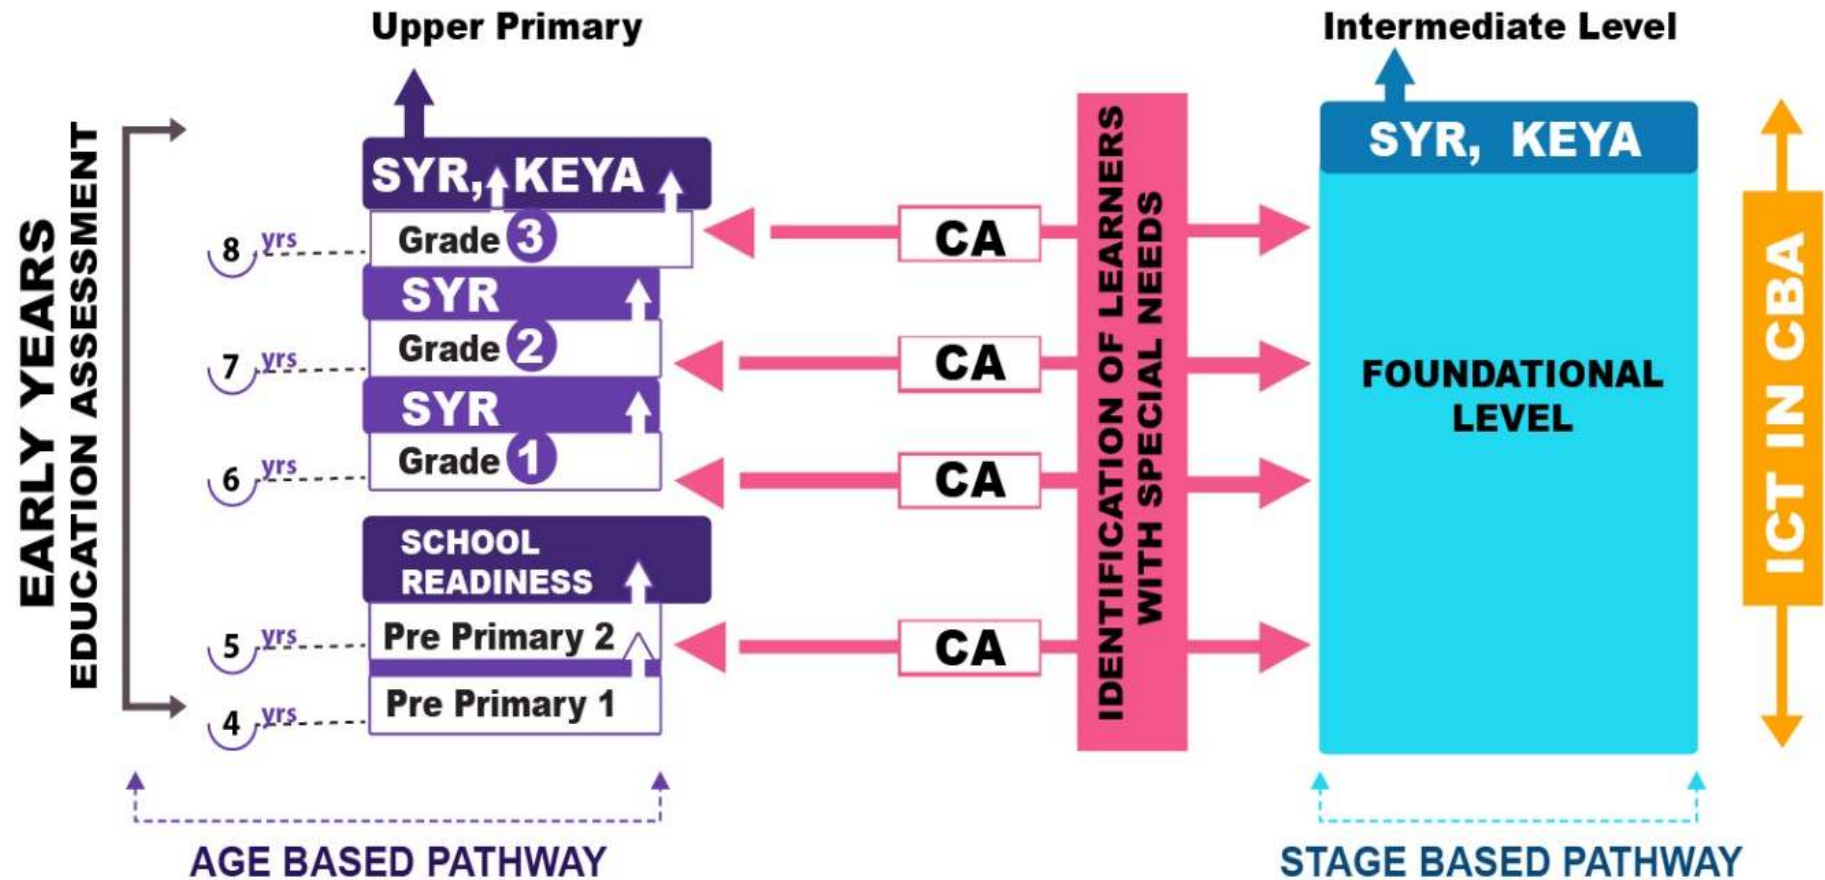

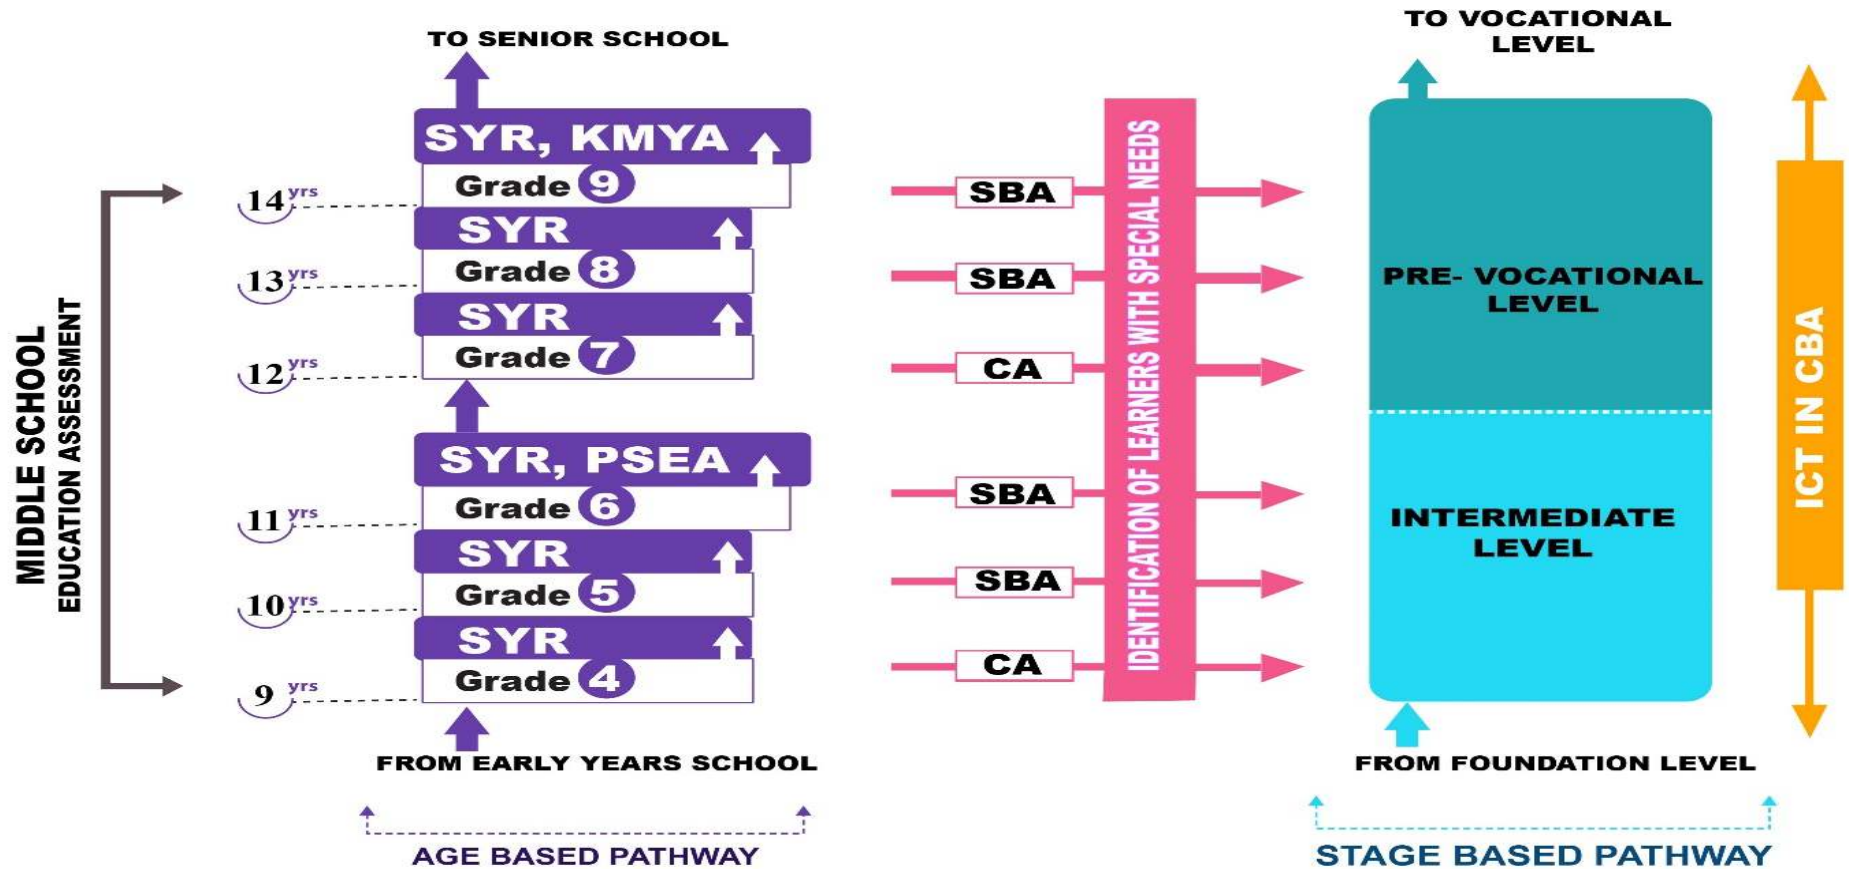

Interrelations between various components of CBC and CBA

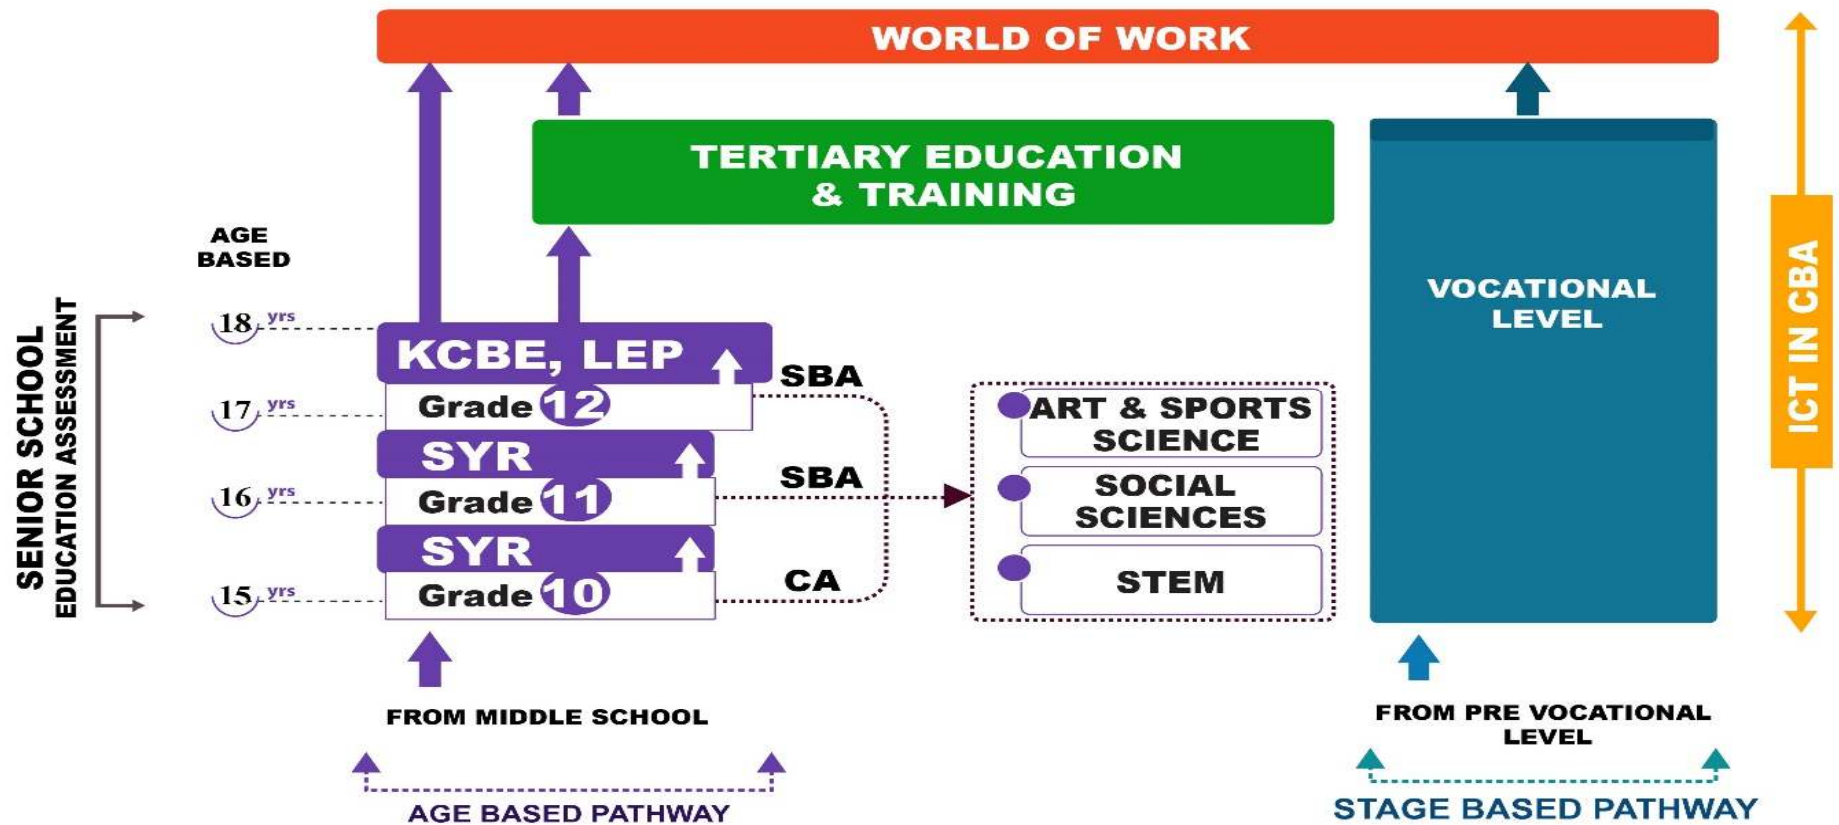

STRUCTURE OF EARLY YEARS EDUCATION ASSESSMENT

STRUCTURE OF MIDDLE SCHOOL EDUCATION ASSESSMENT

STRUCTURE OF SENIOR SCHOOL EDUCATION ASSESSMENT

Assessment

- Purposeful, systematic, ongoing collection of information for making decisions on learner's learning as well as curriculum development, implementation and evaluation
- Assessment is a means not an end in itself. It influences learning.

PRINCIPLES GUIDING ASSESSMENT

Validity

accurately measures what it intends to measure

Reliability

consistency in producing identical results

Fairness

equality, equity and justice

Flexibility

- responsive to the needs of the situation and learner. Contextualize according to target group

Accessibility

- accommodates all learners

Practicability

- economy of time, effort and cost

Authenticity

- assessment tasks relate to real-life experiences

Sufficiency

- sufficient evidence to reach an assessment decision

Timely Feedback

- immediate

Collaborative

- involves self, peer and teacher assessment

Currency

- recognition of current competencies

TYPES OF ASSESSMENT

Formative Assessment

Assessment *for* learning – designed and administered during the learning process

Assessment *as* learning – learners evaluate their work against learning outcomes

For example, Classroom Assessment

Summative Assessment

Assessment *of* learning – undertaken at the end of a learning period

For example, National Assessment
