

THE KENYA NATIONAL EXAMINATIONS COUNCIL

COMMUNITY SERVICE LEARNING SCHOOL BASED ASSESSMENT

Grade 10

2026

PROJECT

MARKING GUIDE

GRADE 10 CSL PROJECT SCORING GUIDE (100 MARKS)

THEME: BUILDING INCLUSIVITY AND SOCIAL COHESION IN OUR COMMUNITY

TASK 1: PREPARATION STAGE – 40 MARKS

Step 1: Group Leadership & Understanding the Task (5 marks)

(Evidence of the group meeting sessions and responses for step 1.)

Criteria	Score
Identification of group leadership positions.	2
List of leaders and their respective roles assigned.	2
Evidence of brainstorming and efforts towards comprehending the project guidelines (brainstorming notes, consultations).	1
Sub Total	5

Step 2: Identification and Definition of School Community Problem (10 marks)

(Evidence of the group meeting sessions and the three responses for step 2.)

Criteria	Score
Evidence of several gaps generated from a brainstorming exercise (a list of more than two authentic gaps in line with the theme from the group work)	3
One problem selected with relevant justification	3
Written down 2-3 paragraphs describing the problem identified	4
Sub Total	10

Step 3: Design of Intervention / Solution (15 marks)

(Evidence that the meeting sessions were conducted and the corresponding responses for Step 3.)

Criteria	Score
Solution clearly addresses the identified problem (check relevance)	3
Solution is realistic, ethical and appropriate to the school context	2
Clear identification of beneficiaries (list of beneficiaries)	2

Criteria	Score
Clear description of location, resources and approach (use of locally available resources)	3
Well-written project title that is aligned with the theme	2
Evidence of consultation/validation with relevant stakeholders	2
Solution clearly links to previous class work (subject and strand)	1
Sub Total	15

Step 4: Project Planning & Organisation (10 marks)

(Evidence that the meeting sessions were conducted, the corresponding Step 4 responses, and an implementation matrix)

Criteria	Score
Clear activity plan with a logical sequence of tasks	3
Identification of relevant stakeholders and their role in the project	1
Identification of appropriate materials/resources	2
Realistic milestones(stages) and timelines proposed	2
Clear rules promoting respect and safety	1
Responsibility for each group member well defined	1
Sub Total	10

Summary Score: Task 1: Preparation Stage

Step	Description	Score
Step 1	Group Formation, Leadership and Project Task Understanding	5
Step 2	Identification and Definition of the Problem	10
Step 3	Design of Intervention / Solution	15
Step 4	Project Planning & Organisation	10
	TASK 1 TOTAL	40

Summary Rubric: Task 1: Preparation Stage

Score Range	Performance Level	Descriptor
34–40	Level 4	Exceeding Expectation
26–33	Level 3	Meeting Expectation
16–25	Level 2	Approaching Expectation
1–15	Level 1	Below Expectation

TASK 2: IMPLEMENTATION STAGE – 25 MARKS

Step 5: Execution of Project Activities (15 marks)

(Observe as learners execute the project activities, review evidence of execution for step 5.)

Criteria	Score
Planned activities fully implemented	4
Learners demonstrated cooperation and teamwork	2
Respectful and inclusive behaviour is evident during CSL project implementation	2
Evidence of engagement with the relevant community members	2
Application of classroom learning to execute the CSL project	3
Evidence of reflective sessions conducted (reflection notes)	2
Sub Total	15

Step 6: Documentation of Project Progress (10 marks)

(Evidence of project implementation and the Step 6 responses.)

Criteria	Score
Clear and consistent activity records/notes	3
Evidence collected (photos, sketches, videos, notes)	3
Identification of challenges and successes	3
Completeness check (detailed portfolio available)	1
Sub Total	10

Summary Table: Task 2: Implementation Stage

Step	Description	Marks
Step 5	Execution of Project Activities	15
Step 6	Documentation of Project Progress	10
	TASK 2 TOTAL	25

Summary Rubric: Task 2: Implementation Stage

Score Range	Performance Level	Descriptor
19–25	Level 4	Exceeding Expectation
13–18	Level 3	Meeting Expectation
7–12	Level 2	Approaching Expectation
1–6	Level 1	Below Expectation

TASK 3: POST-IMPLEMENTATION STAGE – 35 MARKS

Step 7: Reflection (20 marks)

(Refer to the individual learner reflection notes for scoring.)

i) Individual Reflection (10 marks)

Criteria	Score
Clear description of what the learner learnt, as outlined in the portfolio	2
Clear description of attitude or mindset change (analyse how the learner articulates/expresses themselves, check creativity)	2
Identification of values developed (any two)	1
Identification of competencies developed (any two)	1
Detailed and open reflection (check on the examples)	2
Subjects applied in the CSL project	2
Sub Total	10

ii) Group Reflection (10 marks)

(Refer to the group reflection or discussion notes for scoring.)

Criteria	Score
Clear analysis of what worked well	3
Discussion of challenges faced	3
Realistic suggestions for addressing future challenges	2
Explanation of project benefits to individuals and the school community	2
Sub Total	10

Step 8: Report Writing and Presentation of Project (15 marks)

(Observes and receive responses based on Step 6 for scoring)

Criteria	Score
The report clearly presents all the aspects as outlined	6
Good creativity and clarity of presentation	3
Group participation and communication skills	4
Quality of recommendations for the future	2
Sub Total	15

Summary Table: Task 3: Post-Implementation Stage

Step	Description	Marks
Step 7	Reflection (Individual learner and Group)	20
Step 8	Report Writing and Presentation	15
	TASK 3 TOTAL	35

Summary Rubric: Task 3: Post-Implementation Stage

Score Range	Performance Level	Descriptor
27–35	Level 4	Exceeding Expectation
18–26	Level 3	Meeting Expectation
9–17	Level 2	Approaching Expectation
1–8	Level 1	Below Expectation

GRAND TOTAL: 100 MARKS

Task	Stage	Marks
1	Preparation Stage	40
2	Implementation Stage	25
3	Post-Implementation Stage	35
	GRAND TOTAL	100

GRAND RUBRIC FOR THE PROJECT

Score Range	Performance Level	Descriptor
76–100	Level 4	Exceeding Expectation
51–75	Level 3	Meeting Expectation
21–50	Level 2	Approaching Expectation
1–20	Level 1	Below Expectation

CSL GRADE 10 PROJECT – SCORING RUBRIC

TASKS	STEPS	CRITERIA	EXCEEDING EXPECTATION	MEETING EXPECTATION	APPROACHING EXPECTATION	BELOW EXPECTATION
Task 1: Preparation Stage	Step 1	Group formation, leadership & project task understanding	Highly inclusive group; leadership roles clearly defined, shared, and tasks fully understood.	Inclusive group formed; leadership roles clear and project task understood.	Group formed, but leadership roles or task understanding are partially clear.	Group poorly formed; leadership and task understanding unclear or missing.
	Step 2	Identification & definition of a school community problem	Problem is highly relevant, clearly articulated, well justified, and validated through stakeholder consultation.	Relevant problem is clearly identified and justified with validation.	Problem identified but relevance, justification, or validation is weak.	Problem unclear, irrelevant, or not justified.
	Step 3	Designing an intervention or solution	Innovative, realistic, ethical solution that fully addresses the identified problem.	Clear and realistic solution that addresses the problem.	Solution partially addresses the problem or lacks realism.	Solution does not address the identified problem.
	Step 4	Project planning & organisation	Comprehensive, logical plan with realistic timelines, resources, stakeholders, and safety rules.	Clear plan with logical sequence and realistic timelines.	Plan exists but lacks clarity, detail, or realism.	Planning weak, unrealistic, or missing.
WEIGHTING-			34-40	26-33	16-25	1-15

40 MARKS						
Task 2: Implementation Stage	Step 5	Execution of project activities	All planned activities fully implemented with excellent teamwork and inclusive behaviour.	All planned activities implemented with good cooperation and respect.	Some activities implemented; cooperation and inclusivity inconsistent.	Activities poorly implemented or largely incomplete.
	Step 6	Documentation of project progress	Detailed, consistent documentation with rich evidence and clear reflections.	Clear documentation with adequate evidence of progress.	Incomplete documentation with limited evidence.	Little or no documentation presented.
WEIGHTING- 25 MARKS			19-25	13-18	7-12	1-6
Task 3: Post-Implementation Stage	Step 7	Reflection (individual & group)	Deep, honest reflection demonstrating significant learning, values development, and mindset change.	Clear reflection showing learning and values developed.	Reflection superficial or partially developed.	Reflection missing or shows little evidence of learning.
	Step 8	Report writing & presentation	Comprehensive, well-organised report and creative, confident presentation.	Report addresses all requirements with clear presentation.	Report incomplete or lacks clarity and organisation.	Report and presentation poorly prepared or missing.
WEIGHTING- 35 MARKS			27-35	18-26	9-17	1-8
